DETAILS:

I. PERSONAL HISTORY AND BACKGROUND

Birth

During an interview of DOMINIC JOSEPH BLASI on March 15, 1949, BLASI stated that he was born in Chicago on September 9, 1911.

Marital Status

On December 18, 1946, BLASI was arrested in connection with gambling activities in the Dallas, Texas, area at which time it was ascertained that he was married to MILDRED FANELLI of Chicago.

Mrs. CONSTANCE BLASI of 1138 Park Avenue, River Forest, Illinois, was interviewed under suitable pretext by SA RALPH R. HILL on April 2, 1963, at which time she advised that she is the wife of DOMINIC JOSEPH BLASI.

Residence Address

DOMINIC BLASI advised SA HILL during an interview on May 31, 1961, that he resides at 1138 North Park Avenue in River Forest, Illinois.

The then Chief of Detectives of the Chicago Police Department, ANDREW AITKEN advised in 1952 that as of that time DOMINIC BLASI was residing at 1138 West Taylor Street in Chicago.

The current residence of BLASI is located in one of Chicago's most fashionable suburbs and is described as a two story brick home which very obviously appears to have undergone extensive remodeling during the past few years. Based upon the known valuations of the surrounding residences it is estimated that his residence would be worth in the neighborhood of $50,000.

Occupation

During an interview of BLASI in March, 1949, he advised that he was employed as a street paver by the City of Chicago at 13th and Vell Avenue and has been employed in that capacity for the past ten years.

BLASI also stated during the above interview that he was part owner of the Harrison-Kedzie Realty Company, 3204 Harrison Street, Chicago.

II. ASSOCIATES

CG T-1 advised on various dates from February through April, 1963, that BLASI is associated with practically every known member of the Chicago criminal organization headed by SAMUEL M. GIANCANA. This informant stated, however, that in addition to the above and including other members of the Chicago criminal organization, the following individuals are considered BLASI's closest associates:

SAMUEL GIANCANA

CG T-1 advised that on various dates during 1962 and 1963, that GIANCANA is the undisputed head of organized crime in the Chicago area. In this capacity it is necessary for GIANCANA to make extensive trips outside of the confines of Chicago, and during these trips the informant advised that BLASI is designated as the individual to be contacted for messages and other matters of importance relating to the Chicago criminal organization. BLASI is therefore in contact on a daily basis with the hierachy of the GIANCANA group.

CG T-2 and CG T-3 advised on various dates from 1961 through 1963 that GIANCANA considers DOMINIC BLASI as one of his very few confidants and individuals with whom GIANCANA places any trust. BLASI is therefore probably the only individual in the Chicago area who is aware at all times of GIANCANA's whereabouts.

TARQUIN SIMONELLI, Also Known As "QUEENIE", 601 Selbourne Street, Riverside, Illinois

CG T-2 advised in March, 1963, that SIMONELLI is a brother-in-law of ANTHONY J. ACCARDO, former chief of the Chicago criminal element. SIMONELLI has for many years been engaged in gambling operations for the Chicago criminal group.

CG T-1 has advised on various dates from February through April, 1963, that during those periods where BLASI is inactive because of health or other reasons, SIMONELLI acts as BLASI's standin pertaining to his association with SAMUEL GIANCANA. CG T-1 stated that SIMONELLI and BLASI are generally considered as very close friends.

JOHN MATASSA
1655 North Nashville
Chicago, Illinois

JOHN MATASSA is a former Chicago Police Department detective having worked for many years with the Narcotics Bureau of that department. He was retired in 1960 from that department on a disability. At the present time MATASSA is a business agent for Local 726 of the International Brotherhood of Teamsters in Chicago.

CG T-1 has advised on various dates from 1961 through 1963 that MATASSA is a close associate of BLASI and of SAMUEL GIANCANA. He has acted in the past as a part time chauffeur and bodyguard for GIANCANA and for BLASI.

CG T-3 advised that MATASSA enjoys the same position on a lesser scale as does BLASI in the inner circles of the GIANCANA organization.

General Criminal Activities

The following pertains to efforts of the Chicago criminal group to infiltrate the Dallas, Texas, area and bring that area under the control of the Chicago gambling element in 1946:

One PAT MANNING, true name PATRICK MANNO of River Forest, Illinois, during that period was the alleged right hand man and partner of ANTHONY ACCARDO in the policy and numbers rackets in the Chicago area. In November, 1946, MANNING made a trip to Dallas, Texas, and together with one ROMEO JACK NAPPI and DOMINIC "BUTCH" BLASI, attempted to bribe the then sheriff elect STEVE GUTHRIE of Dallas, Texas. PAUL ROLAND JONES who had resided in the Dallas, Texas, area for about five years was the guiding light for the Chicago group in these conferences with Sheriff GUTHRIE. On December 18, 1946, JONES, NAPPI and BLASI were arrested by the Dallas Police Department in connection with this bribery. According to information received PAUL JONES had entered into negotiations with Sheriff Elect GUTHRIE and Detective GEORGE BUTLER of the Dallas Police Department Vice Squad for the operation of gambling activities in the Dallas area. GUTHRIE and other law enforcement officials made recordings of all conferences held with JONES, NAPPI, BLASI and MANNING. These negotiations culminated in the arrest of December 18, 1946.

By letter dated April 21, 1949, the Milwaukee Office advised of the following information relative to matter captioned "DOMINIC JOSEPH BLASI; ANTHONY JAMES SPERNA; MIKE SPERNA; BR". On the evening of March 15, 1949, the above captioned individuals were arrested by the Sheriff's Office in Mauston, Wisconsin, and at the time of their arrest search of the automobile in which these individuals were driving reflected that in the locked trunk of this car was a black gladstone suitcase containing five loaded pistols and one machine gun.

DOMINIC JOSEPH BLASI of 1138 Taylor Street, ANTHONY JAMES SPERNA, 918 Garibaldi Place, and MIKE SPERNA of 1020 West Taylor, all Chicago, were arrested at 11:00 PM, March 15, 1949, by the sheriff's office in possession of a

1948 Ford four door bearing 1949 Illinois License 1513996 which was apparently the property of ANTHONY SPERNA. A black gladstone bag bearing American Airways sticker was located in the trunk of this car and contained the following weapons:

A .38 caliber Smith and Wesson Snub Nose revolver
A Mauser 7.65 automatic
A .38 caliber colt automatic
A .22 caliber H and R Sportsmans revolver
One MP forty over forty-three machine gun with pistol grip as well as quantities of ammunition for all of these weapons

All of the individuals arrested denied any knowledge or ownership of these guns.

During an investigation of the case entitled "UNKNOWN SUBJECTS (5); River Forest State Bank, River Forest, Illinois, March 17, 1955; BANK ROBBERY", a witness picked a photograph of DOMINIC BLASI as being possibly identical with one of the subjects in this bank robbery. On March 23, 1955, DOMINIC BLASI was interviewed by SAs [redacted] and FRANCIS J. STEFANAK at which time BLASI furnished the following information: b6 b7C

He stated that he was currently the co-owner of a tavern, "Jim's Corner", 2858 West Roosevelt Road, Chicago, telephone NEvada 8-9637 and NEvada 8-9677. BLASI said he could usually be reached at the tavern address.

BLASI advised that he and his partner, whom he declined to name, had paid $4,000 for the tavern in May or June, 1954, and expected to sell it in the near future for $6,500. He stated they had each taken approximately $100 per week as salary and had placed the balance of profits in a bank. BLASI said the tavern was a profitable business but has all colored trade, and he is anxious to sell.

BLASI said he intended to book horses at the various Chicago race tracks during the 1955 racing season. He claimed to be able to make between $7,000 and $8,000 booking horses during the season and would in addition receive a bonus and other unnamed considerations at the completion of the season.

BLASI advised that he currently resides in Oak Park, Illinois, with his wife and three children. He declined to furnish his home address or phone number. He added that he was not at this time engaged in any criminal activities and would be available at any time for "showup".

It is noted that the above statement was made by BLASI in connection with the line of questioning used during this interview which concerned a recent holdup of a Milwaukee grocery store which resulted in the apprehension of MIKE MESSINA, an associate of BLASI.

BLASI stated that there is a barber shop located at 1074 West Polk Street, which is operated by one PHILIP BRIATTA (phonetic) and which is used as a hangout for politicians, including JOHN D'ARCO, 1st Ward Alderman and hoodlum.

BLASI advised that on one occasion many years ago, he perpetrated an armed robbery out of Chicago. When he returned from this job, he was called on the carpet since the individual he had robbed had "Chicago" connections with the "syndicate". He said in his case he was permitted to keep the money he had obtained, however, he had heard of other similar cases where the money had been returned to the victim. BLASI then added, "I have other bosses over me and I'm not referring to my wife."

IV. LEGITIMATE ACTIVITIES

Reference is made to interview conducted with BLASI in 1955 wherein he related that at that time he was the co-owner of the tavern known as "Jim's Corner, 2858 West Roosevelt Road, Chicago.

Reference is also made to the fact that in 1949 BLASI was part owner of the Kedzie-Harrison Realty Company in Chicago.

DOMINIC BLASI advised SA JOHN R. BASSETT in April, 1962, that as of that time he was the executive vice president of the Eden Land and Building Company located at 9808 Eden Avenue in Schiller Park, Illinois. He described this company as one which engages in the development of real estate property and in the building of commercial type buildings and residential buildings.

[redacted], Clerk, Corporation Section, Secretary of State, Springfield, Illinois, advised on March 28, 1963, that his office does not reveal a record of corporate charter for the Eden Land and Building Corporation in Schiller Park, Illinois. b6 b7C

CG T-1 advised in February, 1963, that BLASI was attempting to dispose of his interest in the Eden Land and Building Company and was negotiating with some unknown individuals in an attempt to sell this interest which amounted to approximately $150,000. One of BLASI's partners in this enterprise and who holds a minor interest therein, according to this informant, is FRANK V. PANTALEO. PANTALEO is a long time associate of members of the Chicago criminal group, is a reputed owner of a night club known as "Pepe's at Mannheim Road in Franklin Park, Illinois, and is the president of the Pantaleo Construction Company, and as of 1960 was a partner with JOHN LARDINO in a trucking firm located in Franklin Park, Illinois.

CG T-3 advised in April, 1961, that DOMINIC BLASI was the reputed owner of an establishment known as the Amber Lite Lounge located at 5534 West Cermak Road in Cicero, Illinois. The Amber Lite Lounge was at that time a known meeting place of GIANCANA and his organization.

CG T-1, CG T-2, and CG T-3 advised on various dates from 1961 through 1963, that DOMINIC BLASI is the controlling factor in the operation of the Armory Lounge, 7427 West Roosevelt Road, Forest Park, Illinois, which is described as a small restaurant and cocktail lounge which, according to these informants, is utilized on an infrequent basis as a meeting place of some of the more prominent members of the Chicago criminal group.

V. MISCELLANEOUS

CG T-1 advised in March, 1963, that BLASI has recently undergone an attack of coronary thrombosis which necessitated a two week hospitalization in an unknown hospital. This informant advised in April, 1963, BLASI apparently has recovered from this attack; however, he is concerned about his heart condition now to the point where his activities have been curtailed.

CG T-1, CG T-2, and CG T-3 advised on various dates from February through April, 1963, that BLASI is a "family type" individual and, therefore, he does not concern himself with activities normally pursued by other members of the Chicago criminal element. He spends most of the day working on menial tasks around his home and conducts business at the Eden Land and Building Company in Schiller Park. He is generally not seen in the normal haunts of the Chicago criminal group on the near North Side of Chicago or in the night club section of Mannheim Road in Schiller Park and Franklin Park.

Informant advised as follows on 5/22,24/63:

FRED MAGGIO owns and operates Maggio's Steak House, 7635 W. Roosevelt Rd., Forrest Park, Illinois He has been in business at that location for several years. His father, ANTHONY "BUCK" MAGGIO assists him in the operation of the restaurant and apparently his brother, DONALD MAGGIO, also assists him in the operation of the business to some extent. DONALD MAGGIO visits the restaurant only occasionally, and at the time generally greets those who are customers and appears to exert a good will type of influence.

Although there are two apartments on the second floor of the steak house, none of the MAGGIOs reside at that address. The upstairs apartments are rented by a couple referred to as JOHN and ELSIE. They regularly frequent the steak house and appear to be addicted to alcoholism. They apparently are approximately 50 years of age. JOHN is employed as a guard in the naval ordinance depot across the street from the steak house, while ELSIE is unemployed. She formerly worked as a waitress in the steak house. The other apartment is rented to an older type girl, and it is believed her rent bill is assumed by a man acquaintance. She supposedly is single.

FRED MAGGIO is a well liked individual, however, his main interests in life appear to be in gambling, playing golf, and chasing women in that order. He appears to be friendly with most all customers of his restaurant, however, he is not one to maintain a close watch on his business. He frequently drinks to excess, and during the times he is inebriated he talks incessantly concerning business matters. During the golf season he plays frequently, and often bets $50.00 a hole. When in his restaurant he appears to be gambling in some form with anyone who is willing to play cards. On many occasions he sits for hours and plays gin with any partner who will play with him. He has been generally successful in his gambling ventures, however, because of his loose approach to business, he is indebted to many people. In addition, it is difficult for the restaurant to purchase supplies as well as the bar because he owes sizable bills to the concerns stocking materials for these two operations.

Although the bar business is substantially successful, the restaurant is a losing venture. The luncheon trade has fallen off considerably the last few months, while the evening trade has always been somewhat limited.

Approximately 1½ years ago the restaurant was remodeled and the downstairs was converted into a banquet room. In addition to a banquet room the downstairs also contains an office where liquor is kept, a furnance area, and a stockroom for restaurant supplies.

ANTHONY MAGGIO is interested in selling or leasing the restaurant, business in view of its failure to support itself, however, FREDDY has been reluctant to do so. On occasion, banquets are held in the restaurant.

There appears to be a regular set of customers who frequent the steak house. During the A.M. on a daily basis DON, (DONALD ANGELINI), DOM, (DOMINIC CORTINA), BUTCH, (BUTCH BLASI), SUBBIE(?)QUKENIE, (TARQUIN SIMONELLI), and JOHNNY "The Bee" visit the steak house. They have coffee in the morning and spend a considerable amount of time there. In addition to above individuals, JOHNNY SCAFFELO (Phonetic), ROY (LNU), and JOE KUTNO, (Phonetic), frequent the place and play cards regularly. JOE KUTNO, (Phonetic), usually is there on Tuesday nights. Often SUBBIE, (MEANRAIL) and JOHNNY BELL are together. JOHNNY BELL frequently makes several phone calls from there. JOE MARKS, (Phonetic), is another frequent visitor to the steak house, who appears to make many bets.

Shortly before last Christmas, the Cook County Sheriff's Office staged a raid at the steak house. They completed an exhausted search of the building, looking for gambling devices as well as telephones hidden in the building. They were unable to find any devices of a gambling nature other than a few decks of cards. They were specifically interested in locating telephone lines which might lead into the building, however, there is only one line leading into the steak house and bar; and that line is equipped with extensions from the bar to the restaurant, and to the office room in the basement. That is the only telephone in the steak house, and bar to date.

On occasion, SAM GIANCANA has visited the steak house. He has eaten there on these occasions, and when he is there it is apparent from the attention given him that he is an important figure in the hoodlum element. On the occasions of his visits there he apparently has remained there for sometime, and he engages in card playing in the basement. The office downstairs had been used for card playing, however, because of the frequent use of the liquor stock there by those playing , FRED MAGGIO found it necessary to keep his office locked. The last time GIANCANA visited the steak house was approximately one month ago. The hoodlum element which frequents the steak house take very much for granted. However, FRED MAGGIO accepts them for what they are. They themselves spend very little money there, and are critical of the service they receive, although appearing to genuinely like FREDDY for his personality, they generally pay little heed to him, and are not concerned with his business operation. Approximately one month ago the chief of police, and the mayor of Forrest Park, who was recently elected to that office, visited the steak house and informed FREDDY that they would not tolerate gambling of any kind in the city, and in the event they ever entered the steak house and found any alleged hoodlums there, there is a possibility that his liquor license would be revoked. FREDDY told them why bother him since all the "big shots" hang out at the Armory Lounge. FREDDY seemed concerned regarding the request of the mayor and the chief of police, and informed his apparent friends of what he had been told. He suggested to them that they not frequent his place, but instead go to the Armory Lounge down the street. Although his friends have paid little heed as far as visiting the steak house he has made it difficult for them to gamble by removing all cards from the restaurant.

The day bartender is SAM, aka SPANKY, (LNU). JOE BOSCO is the bartender at night. On weekends an individual named ALEX occasionally assists. He was formerly employed at the Sahara Inn. PAT COLEMAN, who is married and lives in Brookfield, is the waitress during the evening hours, and in addition takes care of records and other business obligations called for by the operation of such an establishment. She appears to be very close to FREDDY, and a trusted employee. FREDDY's wife, MARGARET, frequently visits the steak house and assists in its

operation. Two cooks are employed, however, due to the curtailment of business the one cook JIM WATTS, who also assisted as a dishwasher, was recently let go.

On occasion, SUBBIE will become inebriated and PAT COLEMAN on many occasions has driven him to the Rush Street area. When SUBBIE becomes inebriated he spends money foolishly. Approximately three weeks ago a woman from the neighborhood visited the restaurant and told FREDDY that the FBI had contacted her regarding the steak house. The regular customers at the steak house are extremely cognizant of people visiting there, and unless you are one of them you are closely scrutinized. On two occasions recently it has been stated that someone from the FBI had visited the steak house. A colored man called "RJ" visits the steak house daily from about 11:00 to 11:05 A.M. He picks up bets that are given him or bets that are left for him. DON and DON appear to be very close and possibly engaged in some sort of a partnership. They consult one another frequently and generally have large sums of money with them.

RE: DOMINIC J. BIASI
ANTHONY JAMES SPERNA
MIKE SPERNA, aka., Anthony Cassese -
SUSPECTS

At noon on March 16, 1949 CHARLES CURRAN, Juneau County District Attorney at Mauston, Wisconsin telephonically advised the Milwaukee Office that the three above captioned suspects had been arrested by the Sheriff's Office at Mauston, Wisconsin, between 10:30 and 11:00 p.m. on the night of March 15, 1949. At the time of their arrest CURRAN stated that suspects were in possession of a 1947 black Ford four door automobile, motor number 1717995, bearing 1949 Illinois license 1513796. CURRAN further stated that the trunk of this automobile was locked and upon being opened with keys to instant automobile in possession of the suspects, the officers discovered a black Gladstone suitcase which contained five loaded pistols and revolvers and one machine gun. CURRAN was informed that upon the basis of the information supplied by him there was no indication of a federal violation over which this Bureau has jurisdiction. It was pointed out to CURRAN that the possession of the machine gun might be a matter of interest to the Alcohol Tax Unit which agency has jurisdiction over the federal and national Firearms Act. The information furnished by CURRAN was telephonically furnished [redacted], representative of the Alcohol Tax Unit at Milwaukee, Wisconsin. b6 b7C

The following investigation was conducted at Mauston, Wisconsin by SA JAMES S. KLUND, JR. in an effort to determine whether the automobile in suspects' possession was a stolen automobile and to endeavor to determine whether suspects might be identical with the subjects of instant case or identical with the unknown subjects in the case entitled "Unknown Subjects (5), First National Bank, Maywood, Illinois, 3/15/49, Bank Robbery (Robbery)" in which case the Chicago Office is office of origin.

MAR 28 1949

A complete

listing of all property and clothing found in these suitcases and shopping bag was obtained from CURRAN. These items are not being set out here since they do not appear to bear any significance to instant case, although the agent's notes of these listings are being retained in the files of the Milwaukee Office.

The following description of the guns found in suspects' possession was obtained through personal observation:

Item #1: One .38 caliber Smith and Wesson snub nose revolver, serial number 839464, with the number 8999 on the butt of the pistol grip.

Item #2: One P-38 Luger, serial number 1521-M AC43.

Item #4: One .38 caliber Colt automatic, serial number 39291.

Item #5: One H and R Sportsman .22 caliber revolver, serial number D8163.

Item #6: One MP 40 machine gun with pistol grip, also known as a "Burp" machine gun, serial number 8369/M.

All of the above guns were loaded. The descriptions of the above listed guns were furnished the Bureau by teletype with the request that they be checked against the National Stolen Property Files and by teletype dated March 21, 1949 to Milwaukee the Bureau advised that the National Stolen Property File contains no record of the firearms listed.

Mr. CHARLES CURRAN further advised that he had been informed by the Minneapolis Police Department that instant suspects had been arrested at Minneapolis, Minnesota at approximately 3:45 p.m., March 15, 1949. This information was also verified by investigation by the St. Paul Office, the results of which were furnished Milwaukee by teletype dated March 17, 1949.

DOMINIC JOSEPH BLASI upon interview denied ownership or any knowledge concerning the origin of the above described guns found in the automobile in which BLASI was riding at the time of his apprehension at Mauston, Wisconsin. BLASI denied knowing that the guns or the suitcase in which they were found were even in the automobile in which he was riding and said that he did not see either of his companions in possession of this suitcase or the guns contained therein. BLASI said that he had asked TONY SPERNA to drive him to Milnor, North Dakota via St. Paul and Minnespolis from Chicago because BLASI does not own an automobile himself which would be capable of making a trip of this length. BLASI said that although he is married he also has a girlfriend in Chicago. He said this girlfriend is a divorcee and has a small child though declined to furnish the name of this

girlfriend. BLASI said that the purpose of his trip to Milnor, North Dakota was to visit his girlfriend's aunt and uncle, Mr. and Mrs. EDA RENO who operate a hardware store in Milnor, North Dakota. BLASI pointed out that his girlfriend's child had formerly resided with this aunt and uncle and that he was going there for the purpose of picking up some clothing for this child. He said he and his two companions TONY and MIKE SPERNA had left Chicago, Illinois between 1:00 and 3:00 a.m., Tuesday, March 15, 1949 and drove to Minneapolis, Minnesota where they stopped to visit a friend of BLASI's, JOHN MANCINO. According to BLASI, he and his two companions arrived at MANCINO's home in Minneapolis around noon on March 15, 1949 and that later that same afternoon he and his companions were arrested by the Minneapolis Police Department, along with a friend of MANCINO's, known to him as MURRAY. BLASI said that he had never before seen this individual named MURRAY and stated that he had met MANCINO in Chicago, Illinois several years ago, although until March 15, 1949 he had not seen MANCINO for a period of several years. BLASI further indicated that aside from this trip to Minneapolis he had not been outside the city of Chicago for several years. BLASI stated he is a part owner of the Harrison and Kedzie Realty Company, 3204 Harrison Street, Chicago, Illinois, and also works part-time on a salary basis for the Harrison and Kedzie Currency Exchange owned by his brother MICHAEL BLASI until approximately three weeks ago when his brother sold out this latter business. BLASI also stated that he has been employed by the city of Chicago as a street paver for the past ten years although due to a seasonal layoff has not worked for the city in this capacity for the past ninety days or thereabouts. BLASI said that when working for the city of Chicago as a street paver his supervisor is MURIO T. DEL BRECARO at the city yard located at 13th and Bell Avenue, Chicago. BLASI declined to discuss his exact whereabouts on any specific date other than to state he was in Chicago, Illinois as described in his above statement concerning his employment history. With respect to his whereabouts during the three or four weeks immediately preceding his arrest at Minneapolis and Mauston, Wisconsin, BLASI stated he was present at the Harrison and Kedzie Currency Exchange in Chicago, Illinois daily until his departure for Minneapolis on March 15, 1949.

The property taken from BLASI's person by the Sheriff's Office at the time of his apprehension at Mauston, Wisconsin included $7.84 in cash and a leather photograph or identification case containing one 1947 city of Chicago employee's identification card number 7373, issued DOMINIC BLASI, laborer for the streets and electricity department; one 1947 Italian Welfare Council membership card issued DOMINIC BLASI, an Illinois driver's license number 1-660-498, issued DOMINIC BLASI, 1138 W. Randolph, 8th floor" and a Fidelity Loan Bank ticket number 337938 representing a loan in amount of $125 for a watch January 19, 1949 in the name of DOMINIC BLASI, 3458 Fulton. This case also contained one money order requisition listing the sender as JOHN FRASCO, 57218 Nordica Avenue,

payable to Associates Discount Corporation, 520 North Michigan Avenue, Chicago, Illinois, in amount of $18.36. The reverse side of this requisition bore the pencilled notation "Judge Fisher, Superior Court, number 488-10223, calendar number 3, case number 588".

Bureau teletype to Milwaukee dated March 18, 1949 reflects that the fingerprints of ANTHONY JAMES SPERNA, Mauston Sheriff's Office number 2394, were searched through the Identification files with no prior criminal record.

MIKE SPERNA upon interview also denied ownership or any knowledge concerning the origin of the guns found in the 1947 Ford automobile in which he was riding at the time of his arrest at Mauston, Wisconsin on March 15, 1949. MIKE SPERNA denied ever having seen these guns before or knowing they were in the automobile. MIKE SPERNA said that his brother TONY told him that he was driving DOMINIC BLASI to some place on the other side of Minneapolis and St. Paul and invited MIKE to accompany him. MIKE said since he was not doing anything in Chicago he decided to ride along and endeavor

to obtain employment for himself in Minneapolis and St. Paul. According to MIKE, he and his two companions left Chicago, Illinois between 11:00 and 12:00 a.m. Monday morning, March 14, 1949 and arrived at Minneapolis, Minnesota between 11:00 p.m. and midnight that same day. He stated they proceeded to the home of a friend of DOMINIC BLASI's, known to MIKE as JOHNNY, last name unknown. MIKE denied ever having met this JOHNNY prior to this time and stated he and his two companions slept the rest of that night at this JOHNNY's home in Minneapolis. He said that at the time of their arrival JOHNNY was home alone and explained he was going out to meet his wife and would not be back that same night, and for that reason it would be all right for the three of them to sleep in his apartment. On the following day, MIKE stated that he met JOHNNY and his wife, as well as a friend of JOHNNY's, known to him by the name of JOE or JACK. MIKE stated that around noon on Tuesday, March 15, 1949, he left JOHNNY's apartment in the company of JOHNNY's friend, JOE or JACK, and drove around the city to look it over. He said they returned to JOHNNY's apartment around the middle of the afternoon and a short time thereafter were arrested by the Minneapolis Police Department. He said that following their arrest they were taken to the Minneapolis Police Department where they were questioned and released. Following their release, MIKE stated they returned to JOHNNY's apartment, packed their belongings in TONY's automobile, and immediately left Minneapolis for Chicago, Illinois. MIKE SPERNA refused to discuss or disclose his whereabouts or activities for any period of time in the past aside from indicating that he had been employed by the National Tea Company in Chicago as a truck driver for three years, ending approximately one year ago. MIKE stated that since that time he had held no steady job and indicated he had lived at the homes of relatives and friends in Chicago and other places, including New York and Detroit. MIKE refused to discuss or disclose his whereabouts or activities on any specific date, including March 4, 1949, the date of instant robbery, as well as December 9 and 10, 1948, which is the time the Hurley State Bank of Hurley, South Dakota was burglarized. On the date of MIKE SPERNA's arrest by the Sheriff's Office at Mauston, Wisconsin he had on his person a billfold containing $9.00 in cash, a 1949 city of Chicago vehicle license number P29282, issued to ANTHONY CASSESE, 1020 West Taylor Street, Chicago, Illinois, for a 1949 Plymouth, serial number 12047880, and Illinois license registration number C2962920, issued ANTHONY CASSESE for a 1948 Plymouth Sedan, factory number 12047880, motor number P15-927-444, Social Security number 329-26-9021, issued to ANGELO FRANCESE, a pair of horn-rimmed glasses in a case, a pocket knife, fingernail clippers and a key ring with the tag "South Ashland Motors Inc., 6200 S. Ashland Avenue, Chicago, Illinois".

The following description of suspect MIKE SPERNA was obtained through observation and interrogation:

Name	MIKE SPERNA, wa Mike Sberna, Anthony Cassese
FBI No.	32958
Residence	1020 W. Third Street, Chicago, Illinois

Born	November 28, 1906 at Chicago, Illinois

On March 21, 1949 the three above named suspects were released by the Sheriff's Office at Mauston, Wisconsin in the custody of the U. S. Marshal for the Western District of Wisconsin at Madison. On this same date the U. S. Marshal arraigned these three suspects before U. S. Commissioner LAMBERT A. HANSEN at Sparta, Wisconsin. They were arraigned upon a complaint by BYRON W. FRENCH, Alcohol Tax Unit representative at Madison, Wisconsin wherein they were charged with violation of the U. S. Code, Title 26, Section 2726A, in that they did on or about March 15, 1949 at Mauston, Wisconsin in the Western District of Wisconsin unlawfully possess a machine gun unlawfully transferred and ammunition therefor. At the Commissioner's arraignment each of the suspects waived preliminary examination and bail for each individual suspect was fixed at $10,000. I. GENERAL CRIMINAL ACTIVITIES

San Francisco report by SA ROBERT EDWARD LANCTOT dated July 15, 1946 entitled "Reactivation of the CAPONE Gang."

[redacted] advised SA JOHN HENRY POLKINHORN that he had heard that about May 1, 1946, two Chicago gangsters of Italian extraction were vis iting San Francisco and stopping at the St. Francis Hotel. These men were identified merely as PENEE or PEENE (ph) or "BUTCH". The informant was unable to obtain any additional information regarding the activities of these two men. He did, however, point out that there had been a newspaper story about that time to the effect that members of CAPONE's gang had purchased a Hotel on O'Farrell Street in San Francisco, California. b7D

On September 2, 1946, [redacted] furnished information that PAT BURNS told ANDY BURNS that he would probably have a complaint from HYMIE LEVIN on the big race today because we had the third and fourth horses reversed. PAT told ANDY to tell HYMIE that our people in the house, FLORENCE and DOROTHY, were experienced, first class operators, but that kid in the track was new and inexperienced. You tell HYMIE to tell that son of a _____ BUTCH that even if our people all over the country are inexperienced that if they will bear with them for a while they would pan out O.K., and tell him one other thing. Even if they are inexperienced they are loyal and trustworthy and that's 90% of any argument. They are not like that RAGEN scum and it won't ever be like that crowd of sewer rats. Tell him to bear down on that BUTCH to lay off FLORENCE and DOROTHY. (PAT was obviously insensed about something BUTCH had said about FLORENCE and DOROTHY). b7D

Included in said listing of license numbers was number 186202, for DOMINIC BLASI, 330 South Maple, Oak Park, Illinois on an Oldsmobile.

92-463-41 p. 3

Security Section, Chicago Police Department furnished a typewritten report to an unknown employee of the Chicago Office on an unknown date.

The above said report was block stamped in the Chicago Office on August 2, 1961 and initialed into the file by SA VINCENT L. INSERRA.

The above said report was regarding telephone calls made by JOHN FORMOSA, 9341 Lake Shore Drive, Gary, Indiana, from his home for a period from March 1961 to June 1961.

Included in the listing of individuals was DOMINICK BLASI, 1138 Park, River Forest, Illinois, phone number Forest 9-7944.

Intelligence Division Files revealed that BLASI is the chauffeur and bodyguard for GIANCANA. BLASI drives a vehicle registered to FRANK SZAFRAN. Officers in all reports identified SZAFRAN as driver but photo and information from FBI identify driver as BLASI. BLASI attended the wake of JOHN SORTINO.

92-349-801 p. 7

On March 21, 1961, [redacted] advised SAs RALPH R. HILL and WILLIAM F. ROEMER that the individual who is perhaps the blosest person to SAMUEL GIANCANA was DOMINIC BLASI, commonly referred by GIANCANA and others as "BUTCH". BLASI resides at 1138 Park Avenue, River Forest, Illinois, and acts in the capacity of bodyguard and chauffeur for GIANCANA and usually accompanies GIANCANA whenever the latter is in town. b7D

Informant advised that persons who desire to be in contact with GIANCANA or those persons whom GIANCANA desires to contact are usually channelized through BLASI. These messages are placed with BLASI either at his home or at the Armory Lounge in Forest Park, Illinois. The informant said that BLASI accompanied GIANCANA on the trip to West Palm Beach, Florida.

On April 6, 1961, SAs RALPH R. HILL and WILLIAM F. ROEMER observed DOMINIC BLASI departing his residence at 1138 North Park Avenue, River Forest, Illinois, at which time he entered a 1959 white, Ford Galaxy, bearing 1961 Illinois license GW 7896. His auto proceeded south on Park Avenue.

A physical observation of BLASI revealed that he was the individual who met GIANCANA at O'Hare International Airport, November 6, 1960, when GIANCANA arrived in Chicago from San Francisco.

Informant advised that BLASI's employment, if any was unknown; however, he apparently lives in the style which would normally be enjoyed by those persons in a higher income bracket.

92-349-1087 p. 13

Chicago report by SA RALPH R. HILL dated June 30, 1961 entitled "SAMUEL M. GIANCANA, aka."

Included in the listing of associates was DOMINICK BLASI, 1130 North Park Avenue, River Forest, Illinois.

On May 31, 1961, BLASI was observed by SAs RALPH R. HILL and JOHN R. BASSETT in the vicinity of the Pink Clock Lounge, Forest Park, Illinois and was seen proceeding to the GIANCANA residence at 1147 South Wenonah, Oak Park, Illinois. He remained at the residence for several minutes and then proceeded in a direction headed back toward the Pink Clock. At that point, BLASI was interviewed by SAs HILL and BASSETT and advised that he had been in contact with SAM GIANCANA recently and had told GIANCANA that agent HILL was desirous of interviewing him, GIANCANA. BLASI stated that GIANCANA advised him that he did not desire to be interviewed. BLASI's comment pretaining to that was "I don't have any influrence with SAM GIANCANA since compared to him I'm only a street cleaner."

BLASI advised at that time that GIANCANA was out of town; however, was due back in four or five days.

It was noted that at the time of the interview, BLASI was driving a 1959 Ford Galaxie, white in color, bearing 1961 Illinois license GW 7896, which was registered to FRANK SZAFRAN, 616 North Main Street, Mount Prospect, Illinois.

92-349-1232 ps. 12 through 17

Included in the tables of contents, under the listing of associates was DOMINIC BLASI, aka "BUTCH".

On July 19, 1961, [redacted] advised SA RALPH R. HILL that DOMINIC BLASI, described previously by this informant as GIANCANA's chauffeur and bodyguard, was now driving a new compact-type automobile, black in color, bearing 1961 Illinois license GV 6990. b7D

Former PCI [redacted] advised SA RALPH R. HILL on July 19, 1961 that DOMINIC BLASI was observed at the Amory Lounge accompanied by SAM GIANCANA and driving a late model sports car bearing Illinois license GV 6990. b6 b7C b7D

Records of the Secretary of State's Office for the State of Illinois reveal that 1961 Illinois license GV 6990 is registered to MARIO DE MARIA, Oak Park, Illinois.

On July 20, 1961, DOMINIC BLASI was observed by SAs RALPH R. HILL and JOHN R. BASSETT in the vicinity of his residence, 1138 Park Avenue, River Forest, Illinois, driving a 1960 Black Corvair sedan bearing 1961 Illinois license GV 6990.

The remaining information on pages 13 through 17 are also contained in [redacted] b7D

On August 7, 1961, [redacted], Walston and Company, 201 South La Salle Street, Chicago, Illinois, was contacted by SAs WILLIAM F. ROEMER, JR. and [redacted] and was requested to make available the present list of accounts, including stock transactions of [redacted], former [redacted] with this firm. b6 b7C

Included in the listing, which was made available by [redacted], was DOMINIC BLASI and Mrs. CONSTANCE BLASI, 1138 Park Avenue, River Forest, Illinois, Account number 70-07-443.

92-349-1327 p. 49

This serial contains that same information as was previously furnished in 92-348-919A p. 3.

92-349-1327 ps. 10 through 14

On July 27, 1961, Former PCI [redacted] advised SA RALPH R. HILL, JR. that she observed DOMINIC "BUTCH" BLASI, GIANCANA's Lieutenant, at the Armory Lounge as he entered this establishment carrying a large brief case. Informant advised he arrived in a 1959 Ford Galaxie bearing Illinois license GW 7896 and was alone at the time of his arrival which indicated subject GIANCANA was not in town. Informant stated numerous other individuals arrived singly and in pairs and stayed at the Armory for a short duration, indicating the probability that BLASI was issuing instructions in GIANCANA's absence. b6 b7C b7D

92-349-1421 ps. 5 through 11

Included in the listing of the table of contents, under associates was DOMINIC BLASI for pages 5-11.

[redacted] advised sa RALPH R. HILL, JR. that he had learned that DOMINICK BLASI, GIANCANA's lieutenant, previously operated the Amber Light Lounge in Cicero from which he carried on bookmaking activities. Informant advised he learned that BLASI had moved this operation to the Mitchell Tavern in Cicero, where it was being run for him by WILLIE WILLIAMS with a gambling stamp being issued under the name of HELEN MICHELLE who was WILLIAMS' girl friend. b7D

It was noted that this operation was raided by the

Cook County State Attorney's investigators during the early part of September, 1961.

Information furnished on page 6 of this serial is the same information as was previously furnished in 92-349-1327 page 7, under the income tax return for 1959.

On September 26, 1961, Mr. NATALE PASSARO was interviewed by SAs [redacted] and JOHN R. BASSETT at the Prime Steak House, 39th Street and Harlem Avenue, at which time he advised that his home address was 7174 Fairbank, Riverside, Illinois. b6 b7C

In answer to inquiry regarding DOMINIC "BUTCH" BLASI, PASSARO stated that he had been introduced to DOMINIC BLASI by DOMINIC's brother MICHAEL sometime during 1957 or 1958. He stated that BLASI was never an employee of the West Town Realty Company and that his only relationship with BLASI had been in the making of several investments for him through the West Town Realty Company. PASSARO stated that BLASI had been in the West Town Realty Office no more than on two occasions and this was for the purpose of collecting profits which had been made on investments transacted by PASSARO. PASSARO stated that BLASI was not a salesman or sales representative and reinterated that he was in no way connected with the West Town Realty Company. PASSARO stated that all of his records were handled by a Mr. SAM TRUBNICK who runs an accounting and tax service at 3507 West Lawrence Avenue, Chicago, Illinois, and he stated he would contact TRUBNICK and request that all of the records pertaining to employees of the West Town Realty Company be made available to the agents.

On September 27, 1961, SAM TRUBNICK, 3507 West Lawrence, Chicago, Illinois advised SA JOHN R. BASSETT, that he was a public accountant and that he handled the books for the West Town Realty which is operated by NATALE PASSARO.

Upon being advised that one DOMINIC BLASI had listed $4,981.74 as wages earned at West Town Realty on his 1959 records BLASI, according to TRUBNICK and his records, was apparently reporting the amount as wages earned in error. TRUBNICK advised his records reflect that during the year 1958-1959 NATALE PASSARO made several investments for BLASI out of which BLASI realized a profit of $4,981.74. TRUBNICK advised that according to his records BLASI has never been an employee of the West Town Realty and was strictly an investor in several of PASSARO's enterprises. TRUBNICK advised that he recalled that PASSARO during approxi-

mately 1959 suggested that BLASI's come be reported on a partnership income tax return. TRUBNICK advised that he explained the situation to PASSARO stating that this was not the proper way to report BLASI's income and thereafter listed BLASI's income on PASS ARO's income tax return under item 1 on Internal Revenue Form 1096 as a commission other than that reported on a W-2 Form. TRUBNICK advised that he would be happy to make available records which reflected the exact investments made by PASSARO on behalf of BLASI during 1959.

On September 26, 1961, HARRY GRAHAM was interviewed by SAs [redacted] and JOHN R. BASSETT, salesman, West Town Realty Company, 334 Pulaski, Chicago, Illinois, advised that he had been with that company for approximately two years, including the time that the company was located at 3953 West 16th Street, Chicago, Illinois. GRAHAM advised that he was not acquainted with DOMINIC BUTCH BLASI, had never heard the name mentioned by Mr. PASSARO or anyone connected with the West Town Realty, and stated he was certain that BLASI had never been an employee at West Town Realty. b6 b7C

On September 27, 1961, THOMAS DAVIS, 3953 West 16th Street, Chicago, Illinois was interviewed by SAs [redacted] and JOHN R. BASSETT and advised that he was an associate of Mr. L. BASS who currently operated the Crown Realty where the West Town Rea lty was formerly located. DAVIS advised that he did not know, nor had ever heard the name DOMINIC BLASI mentioned during his connection with West Town Realty. DAVIS stated he was certain that DOMINIC or "BUTCH" BLASI had never been employed at the West Town Realty Company during its approximate two year operation at 3953 West 16th Street. He further advised that inasmuch as he still gets over to West Town Realty at the new location at 334 Pulaski, he is certain that BLASI has no connection with the company whatsoever. b6 b7C

92-349-1571 p. 4

Chicago report by SA RALPH R. HILL, JR. dated January 3, 1962 entitled "SAM M. GIANCANA."

Included in the listing of associates was DOMINIC BLASI, 1138 Park Avenue, River Forest, Illinois.

DOMONIC BLASI had been previously described as a close associate and confidant of GIANCANA who was utilized by the latter primarily as chauffeur, messenger and a person to pass on instructions to the GIANCANA organization in the absence of GIANCANA.

BLASI was observed by SA RALPH R. HILL, JR. on December 3, 1961 in the vicinity of his River Forest residence driving a 1959 Ford Galaxie, bearing Illinois license GW 7896. This car had been utilized by BLASI and GIANCANA in the past, however, it was noted that the color of this vehicle had been changed from a solid white to two-tone blue over white.

According to [redacted] and PCI [redacted] as furnished during December of 1961, BLASI was in daily contact with GIANCANA when the latter was in town. b6 b7C b7D

92-349-1724 p. 43

On February 12, 1962, MM 794-C* furnished information relating to the proposed killing of FRANK ESPOSITO, from Chicago, Illinois. Informant stated that the individuals who were involved in this proposed killing had been positively identified thus far as JACK CERONE, DAVE YARAS, JAMES "TURK" TORELLO and FRANK "SKIPPY" CERONE, cousin of JACK CERONE. As JACK CERONE indicated in the summarization, he was given the "contract" for this killing by SAMUEL M. GIANCANA, Chicago Top hoodlum. From the context of the conversation it appeared that one PETE (LNU) was primarily responsible for the fulfillment of this contract, his identity was unknown.

The context of the conversation was in part as follows:

UNKNOWN: That's right, here's what happened. We have a copper in the States Attorney's Office and this copper likes to tip, so he tips us off, but I don't quite believe this story, so I tail him myself, I think maybe this kid wants him out of the way himself. You know what I mean? So then I think, well (obscene), could it be? So I inquired about it, I said, say, I says, JOHNNY, you know A.J., MOE was out of town so I brought it downtown, and they said, well get a hold of BUTCH (DOMINIC BLASI, personal bodyguard chauffeur and messenger of GIANCANA, Chicago), so I got a hold of BUTCH, and I said, listen BUTCH, get a hold of FIFI (FIORE BUCCIERI) right away and tell FIFI that there's a guy that runs around, his guy is with him, and I gave him his name. I said, he's a pigeon for the "G" guys. Now I don't know whether he works with you or with your office, I didn't know.

The above said conversation appeared to be between an unknown individual and PETE.

92-415-188 p. 1

On April 4, 1962, [redacted] advised SA WILLIAM F. ROEMER that one of the primary hangouts for "MILWAUKEE" PHIL ALDERISIO was the "Hub", a tavern located on Diversey Avenue, which is owned by one (BUTCH (LNU), who is a "big fat guy." b7D

"Information herein obtained confidentially; Informant's name is not to be disclosed in report or otherwise unless it had been decided definitely that he is to be a witness in a trial or hearing."

It cannot be determined by the writer if the above referenced information is identical with the subject of this file review.

92-466-1321 p. 8

On August 15, 1962, [redacted] advised SA DENNIS W. SHANAHAN that on approximately August 1, 1962, BUTCH BLASI and QUEENIE SIMONELLI had told [redacted] that all burglars or armed robbers living in Cicero would have to move out of town. According to [redacted] these instructions had emanated from GIANCANA, who was extremely irate when a load of stolen merchandise had been recovered by States Attorneys Police in Cicero, Illinois. b6 b7C b7D

Acc rding to the informant, this load consisting in part of women's garments, had been stolen by GUY MENDOLIA. [redacted] told the informant that the resulting "heat" had angered GIANCANA to the point where he issued the above ultamatum which had in effect been a rule for many years. b6 b7C

Only the fact that MENDOLIA was his God Son prevented GIANCANA from having MENDOLIA killed, but he indicated through BLASI and SIMONELLI that any future transgressions would bring immediate retalliation.

SA JOHN R. BASSETT memo to SAC, Chicago dated October 25, 1962 entitled "[redacted]." b6 b7C b7D

Informant stated that she has been in the company of IRVIN S. WEINER, 1019 South State Street, Chicago, Illinois, American Bonding Company.

Informant advised that on the night [redacted], she was certain that DOMINIC "BUTCH" BLASI sat at a table [redacted] in the company of [redacted]. b7D

92-344-1092 p. B

On November 14, 1962, [redacted] furnished SA WILLIAM F. ROEMER, JR. with the following information which was set forth in the administrative section since it concerned [redacted]. It was felt that disclosure of this information in the details of the report would compromise this valuable informant. b7D

Informant stated that he received a phone call at [redacted] from DOMINIC "BUTCH" BLASI. BL ASI explained that "MOE", SAMUEL GIANCANA, would like to meet with the PCI that afternoon. When PCI indicated that he would meet, BLASI informed him that he should meet GIANCANA at [redacted]. b7D

Rerep of SA RALPH R. HILL dated 5/7/63 at Chicago, and Kansas City airtel to Chicago dated 6/28/63.

On July 17, 1963, [redacted] GSA Federal Records Center, made available the file concerning DOMINICK BLASI, aka DOMINIC BLASI, DOMINIC BLASE, file No. 897-PCS. BLASI was described as a white male, born 9/9/11, height 5' 4", weight 159 pounds, brown hair and eyes. b6 b7C

BLASI entered a plea of guilty to violation Sections 265 and 268, Title 18, U.S. Code, in the Northern District of Illinois, Chicago, on February 26, 1936, and was sentenced to two five-year terms to run concurrently. On June 16, 1963, Acting Supervisor in Charge, Alcohol Tax Unit, Treasury Department, Milwaukee, Wisconsin, advised that his records reflect that DOMINIC BLASI, on January 24, 1950, was found guilty of possessing an unregistered firearm in violation of 3261, IRC, and fined $300.

The Milwaukee Division furnished additional information regarding DOMINIC JOSEPH BLASI, ANTHONY JAMES SPERNA, and MIKE SPERNA, with alias of ANTHONY CACCESE.

On March 15, 1949, the Sheriff's Office at Mauston, Wisconsin, arrested the above three individuals in possession of a 1947 black Ford four-door automobile bearing 1949 Illinois license 1513796. The trunk of the automobile was locked and upon being opened, the officers discovered a black Gladstone suitcase which contained five loaded pistols and revolvers and one machine gun. The information regarding the machine gun was furnished to the Alcohol Tax Unit, Milwaukee, Wisconsin. The following is a description of the guns found in the possession of the individuals arrested:

1) One .38 caliber Smith and Wesson snub nose revolver, serial number 339464, with the number 8999 on the butt of the pistol grip

At the time of his arrest, BLASI was interviewed at which time he denied ownership or any knowledge concerning the origin of the above weapons found in the automobile in which BLASI was riding at the time of his apprehension at Mauston, Wisconsin. BLASI said the purpose of the trip was to go to Milnor, North Dakota, to visit his girl friend's aunt and uncle, Mr. and Mrs. EDA RENO, who operate a hardware store in Milnor, North Dakota. BLASI stated he and his two companions had left Chicago, Illinois, on March 15, 1949, and drove to Minneapolis, Minnesota, where they stopped to visit one of BLASI's friends named JOHN MANCINO.

B. Family

CG T-1 advised that DOMINIC BLASI resides with his wife, CONSTANCE, [redacted] and [redacted] in River Forest, Illinois. b6 b7C

C. Occupation

CG T-1 stated that BLASI indicated his principal business activity in 1962 as real estate dealing with sales and services. BLASI indicated he was doing business under the name DOMINIC BLASI at 5937 West Grand Avenue, Chicago.

D. Auto Registration

Throughout September and October, 1963, two automobiles were observed at BLASI's residence in River Forest. A white Buick convertible with white top bearing 1963 Illinois License CB 1138 is registered to CONSTANCE P. BLASI at 1138 Park Park Avenue, River Forest. A black 1963 Chevrolet bearing 1963 Illinois License MH 6379 is registered to the Schiller Ivanhoe Corporation, 3123 North Ruby Street, Schiller Park, Illinois.

II. ASSOCIATES

BLASI is associated with practically every known member of the Chicago criminal organization headed by SAM "MOONEY" GIANCANA. The following individuals are considered BLASI's closest associates:

SAM GIANCANA

GIANCANA is the had of organized crime in the Chicago area and as such is forced to make extensive trips outside the confines of Chicago. During these trips BLASI is designated as the individual to be contacted for messages and other matters of importance relating to the Chicago organization. BLASI is therefore in contact on an almost daily basis with the hierarchy of the GIANCANA group.

TARQUIN SIMONELLI

SIMONELLI is a brother-in-law of ANTHONY ACCARDO, former chief of the Chicago criminal element. SIMONELLI has for many years engaged in gambling operations for the Chicago organization.

SIMONELLI and BLASI are considered very close personal friends and can be seen on almost a nightly basis at various "hoodlum" restaurants in the suburban area of Chicago.

III. HANGOUTS

Armory Lounge

BLASI visits the Armory Lounge in the 7400 block on West Roosevelt Road, Forest Park, Illinois, on a nightly basis. He was observed by Bureau Agents at this establishment on September 22, October 2 and October 8, 1963, in conversation with SAM GIANCANA.

Maggio's Steak House

BLASI together with his personal friend and confidant, TARQUIN SIMONELLI, visit Maggio's Steak House at 7635 West Roosevelt Road, Forest Park, Illinois, at least once or twice a week.

Pucci's Restaurant

On October 9, 1963, SAM GIANCANA was observed driving a 1963 Tempest convertible registered to MARIE PERNO

in the vicinity of Roosevelt Road and Harlem Avenue in Oak Park, Illinois. GIANCANA proceeded to a restaurant located on Roosevelt Road several blocks west of the Armory Lounge, which it is to be noted, is GIANCANA's hangout. The restaurant, Pucci's, has been opened within the past two months and indications are that this establishment is fast becoming a new meeting place for West side hoodlums. Shortly after the appearance of GIANCANA at this restaurant, BUTCH BLASI, Lieutenant and Chauffeur of GIANCANA, was observed to enter the restaurant. Follwoing a period of approximately 30 minutes both these individuals were noted to depart in BLASI's car, which proceeded to the residence at 1339 North Latrobe in River Forest, Illinois. BLASI was observed leaving GIANCANA at this residence and then proceeded on. Neither GIANCANA nor any other persons were observed to depart this residence during the next hour and it is believed that this is one of several residences currently being utilized by GIANCANA as hideouts. The residence at 1339 North Latrobe is that of PHILIP and MARY COLUCCI.

IV. MISCELLANEOUS

A review of the toll calls listed to the phone of PHYLLIS MC GUIRE, 525 Park Avenue, New York City, during the period February through April, 1963, revealed several calls to the residence of DOMINIC BLASI, 1338 Park Avenue, River Forest, Illinois. which generally does not conflict with intelligence information already developed by the Chicago Division. This does not imply however, that all of [redacted] b7D information has been meticulously checked and verified.

It will undoubtedly be recognized that much of the information, particularly the organization of organized crime in Chicago, is of a nature that could be common knowledge on the part of individuals associating with the criminal element in Chicago. The Chicago Division is constantly alert to this fact in the development of potential informants and is also aware of the fact that captioned informant [redacted] b7D [redacted].

[redacted] has identified many members of the b7D "family" in Chicago's organized crime, and speaks of their method of being taken into the "family" or "made." The informant also speaks of terminology in his discussion of the "family" which precludes the use of the term "Cosa Nostra" substituting for it terms such as "The Life," "In the Life," "Outfit," "The People," "Camora" (phonetic), "Siciliano" and "Mafia."

Verification and analysis of the informant's information, particularly with reference to members of the "family" is difficult to obtain. The acceptance of the informant's information in this area would largely depend upon the overall acceptance of the informant as totally reliable. At this juncture in the informant's development this statement is not being made. Every effort in the near future is directed toward establishing this reliability or proving the informant unreliable.

At the moment the informant has been told to stay away from his old established criminal associates, many of whom are directly connected with the "family" in Chicago [redacted]. This of course b7D makes verification of the informant difficult and precludes giving him specific assignments in the Chicago area which could be checked for reliability.

[redacted]

b7D

However, another avenue is open in this regard. In the summary and conclusions section of this communication it will be recommended that the informant [redacted] to re-establish his contact with an old "family member" out of [redacted]. This individual reportedly has many contacts in organized crime throughout the country, particularly in [redacted]. It is felt that the informant could be covered and his information analyzed as developed in this area.

b7D

The above suggestion is being submitted early in this communication so the Bureau can be aware of this plan to check the informant's reliability as the Bureau proceeds through the information furnished by this informant.

[redacted] b7D

BACKGROUND OF [redacted] b7D

The informant is an individual [redacted] years of age, originally from [redacted] who came to Chicago in the late [redacted]. A significant factor in the background of this informant is that [redacted] which would imply that he [redacted], he is, by his own admission, [redacted]. It is to be noted however, that inspite of [redacted] of this individual, his appearance is that of [redacted]. b7D This individual is familiar to all local law enforcement agencies including the Federal Bureau of Narcotics and is accepted by them as [redacted]. Criminal associates of the informant also accept him as [redacted]. No one has ever questioned [redacted] as being anything other than [redacted]. The informant has always protected his identity to give the impression that he is [redacted], realizing that should [redacted] be discovered his association with [redacted] members of organized crime would diminish appreciably.

When the informant came to Chicago he became acquainted with one [redacted], who was [redacted]. As a result of his association with [redacted] he befriended [redacted] and actually lived with this individual for an extended period of time years ago. The informant has advised that he met [redacted] b7D through his association with TONY LOMBARDO, alleged head of Chicago's organized crime prior to the CAPONE era. Through these early associations the informant became friendly with many of [redacted]'s and LOMBARDO's associates as well as many of the members in the old AL CAPONE mob.

Over the years this informant, by his own admission, has set up [redacted] in Chicago which was eventually sold to members of the Italian element of organized crime in Chicago. The informant also aided [redacted], Chicago top hoodlum, in organizing [redacted] b7D of Chicago. He has used "muscle" tactics to organize books and has used explosives in certain phases of his activities.

[redacted] b7D

The informant advised that his particular "clout" among members of the Chicago criminal element particularly in later years, came through [redacted] b7D [redacted], a powerful organizer of criminal activity [redacted].

The informant is accepted at parties, business meetings, and other social occasions where TONY ACCARDO, PAUL "THE WAITER" RICCA, and their criminal associates attend.

Through the informant's fencing activities he was particularly close to [redacted], who is presently [redacted]. The informant was close to and worked with [redacted] in numerous [redacted], muscling tactics and also operated [redacted] with [redacted]. He was associated with [redacted] during the time that [redacted]. The informant alleges that [redacted] was a highly placed individual in organized crime in the Chicago area and had numerous strong contacts in the New York, Florida, and Texas areas, as well as in Detroit, and Philadelphia.

In the informant's most recent [redacted] he was [redacted] with [redacted] and others. [redacted] is a highly placed individual in organized crime who is associated with SAM GIANCANA and is believed to be [redacted] for Chicago organized crime.

The informant is a personal friend of [redacted]

MOTIVE FOR COOPERATION WITH THE FBI

The informant's motive for cooperation with Federal authorities is two-fold. In the first instance the informant realizes that [redacted] b6 b7C b7D. The informant feels that although the Government has a strong case against [redacted], his connection with the matter would be difficult to [redacted]. It is obvious that the prime motive for the informant's cooperation is that he feels some action might be taken to mitigate his position [redacted].

It is to be noted that absolutely no promises have been made to this informant, however, the interviewing Agents are capitalizing on what is in the informant's mind regarding some mitigating action on his behalf without committing anyone to such action. The informant has expressed a secondary motive, that being, that he has seen organized crime grow to the point where it is vicious, powerful and a threat to the United States Government, and feels he is in a position to contribute information which might help the Government in it's fight against organized crime.

It is the belief of the interviewing Agents that the first motive on the part of the informant is undoubtedly the strongest. It is difficult to believe that an individual such as [redacted], who has lived a life as he has, could turn informant for purely altruistic reasons, however, he did make the above statement and it is therefore being reported. b7D

HISTORICAL DEVELOPMENT OF ORGANIZED CRIME PICTURE IN CHICAGO DIVISION

The informant advised that prior to TONY LOMBARDO and AL CAPONE's arrival in Chicago the Unione Siciliano was "boss" of organized crime in the Chicago area. He advised that Unione Siciliano is synonymous with the term "Mafia." He advised that individuals associated with this faction were strictly Italian Sicilians, who specialized in extortion, prostitution and narcotics. The old members of Unione Siciliano were referred to as "mustachios."

He advised that (FNU) MERRELLO headed the Unione Siciliano prior to LOMBARDO and CAPONE's arrival on the scene. He advised that MERRELLO died about 1930 in Chicago. The informant advised that MERRELLO's son is in the real estate business in Chicago and was a State Representative out of the 44th Ward, Chicago. Although MERRELLO's father dictated to organized crime, his son has never been known to be connected with subsequent criminal organizations. MERRELLO prospered on alcohol during the early prohibition days and controlled all of the action regarding the old "black hand letters."

After MERRELLO died TONY LOMBARDO was brought from New York City to take over MERRELLO's place. The reason for this move was that the two GENNA brothers, SAM GENNA and (FNU) GENNA were trying to take over the Unione Siciliano. A deep cleavage existed in Chicago between the GENNA brothers and the Italians who controlled the north side of Chicago.

The informant advised that TONY LOMBARDO was sent by the "old man" out of New York City who got orders directly from Italy to make peace in Chicago. TONY LOMBARDO was sent to accomplish this purpose and allied himself with JOHNNY TORRIO.

The informant advised that this selection brought about the beginning of the end for the Unione Siciliano as TONY LOMBARDO was a "Camora" man. A "Camora" man being an Italian from the north of Italy and not from Sicily.

b7D

He stated that the "Camora" as opposed to "Mafia" was originally an organization set up in Italy to protect the land owners and nobility, whereas the "Mafia" was set up originally to protect the people or peasants in a section which included the area south of Naples and including Sicily. Both the "Camora" and "Mafia" existed separately until about this time when they joined forces. However, "Camora" individuals handled only other criminal phases not under the control of the "Mafia." The "Mafia" traditionally handled prostitution and narcotics and although forces were joined, the Sicilians or "Mafia" members continued with these specialities.

Eventually TONY LOMBARDO was killed by three men from New York City, one of whom was FRANK YALE. YALE was brought to Chicago for this murder by the north side faction who wanted greater representation in the new Chicago "outfit." The informant advised that YALE was subsequently killed on the Brooklyn Bridge in New York City and his two henchmen also silenced. He advised that (FNU) SCALICE and (FNU) ALLESMA (phonetic) "got the rap for it."

After LOMBARDO was killed the UnioneSiciliano lost all of its remaining power, LOMBARDO being its last powerful leader.

At the same time JOHNNY TORRIO was shot in Chicago, however, was not killed. According to the informant he had plenty of money and wanted to get out of organized crime.

AL CAPONE was already on the Chicago scene, having been imported by TORRIO and JIM "BIG JIM" COLISIMO; also on the Chicago scene were several other New York imports and members of the old "Five Corner Mob" from New York City, namely TONY "MOPS" FOLTI (phonetic) and LOUIE "LITTLE NEW YORK" CAMPAGNA.

THE AL CAPONE ERA

AL CAPONE gained complete control of organized crime in the Chicago Division after JOHNNIE TORRIO relinquished his position of prominence. Informant advised that AL CAPONE was not a Sicilian but was a "Camora man". Informant advised that with CAPONE's ascending to power the Unione Siciliano, although still in existence, was virtually powerless and with it the words Mafia and Siciliano lost their significance and organized crime became known as "The Life". He advised that with CAPONE "The Life" was still composed entirely of Italian people, however, no longer was it needed to be of Sicilian extraction to rise to power.

The informant advised that from this time forward the following names were associated with the organized crime picture in Chicago: "The Life", "The Family", "The People", and "One of Our Own". He advised that he had never heard the term Cosa Nostra referred to in the Chicago area. He advised that "The Family" or "The Life" consisted of one entity or family centering around AL CAPONE in this era.

The informant advised that membership in "The Life" is always accompanied by initiation. This initiation always takes place at a banquet which is privately held.

He advised that an individual that is to be "made" is actually sponsored by one or more friends who are already in "The Life". The candidate has usually been brought to the attention of his sponsors through successful criminal activity, usually while working for one of the sponsors.

About a month before an individual is to be "made" he is told where and what time the sponsor and the sponsor's associates will pick him up.

The informant cited a recent situation when in 1956, FIFI BUCCIERI and WILLIE "POTATOES" DADDANO sponsored JOSEPH "DE GAUL" FERRIOLA and JOE "PINEAPPLES" ELDORADO, wherein ELDORADO and FERRIOLA were taken into "The Life" at a banquet held in Chicago. Informant advised that at the banquet the candidate swears to an oath of secrecy and from that time on no outsider, including his wife, mother, brother and sister, can ever come before his colleagues at "The Life".

These individuals come before any other matters. He advised that the idea of all for one and one for all is firmly implanted in the mind of the candidate.

The new candidate thereafter takes direct orders from his sponsor and his sponsor's partners who were in "The Life". Any grievance the new candidate may have at a later time can be brought to the attention of his sponsor who can carry it further if it cannot be settled by the sponsor and his group. By carrying it further, the informant says that it can be brought to the attention of the "members of the committee" who head "The Family".

As an example, should ELDORADO or FERRIOLA, as mentioned above, have a problem or a grievance that cannot be handled by BUCCIERI, BUCCIERI will speak for them to the members of the committee.

He advised that the committee is composed of five or six men members with one member being in control. He advised that this committee has the overall jurisdiction of all bosses and lieutenants down the line.

He advised that with reference to the committee there is also a group of top advisors who are generally individuals who are not Italian but who are consistent producers for the Italian element. Many of these individuals are revered by the Italian element because of their specific specialties such as gambling, numbers, financial matters, etc. He advised that these top associates are strong people who carry a considerable amount of weight and influence although they are not in "The Family" or "The Life" and never can attain this position because of the fact that they are not Italian. Their counsel is sought and in many instances although they cannot issue orders their will is accepted by the Italian element and their programs placed into effect. He advised they in many instances are as powerful or more powerful than the bosses or Lieutenants who report to the committee. (The current committee setup will be discussed further later on in this communication).

PERIOD FROM CAPONE TO GIANCANA

Informant advised that after CAPONE's death FRANK NITTI took over as leader of "The Family" with LOUIE "Little New York" CAMPAGNA as his chief Lieutenant.

Informant stated that FRANK NITTI was married to the daughter of DOC RONGO, named ANN RONGO, having one child by her. He said that NITTI "caught his wife cheating" in Florida and divorced her. His divorced wife later married one of the CHESROW family.

FRANK CHESROW of this family is presently the President of the Chicago Sanitary District. FRANK NITTI later married an Italian girl name not recalled, who was then the secretary of WILLIAM JOHNSTON who now owns Sportsman's Park Race Track, Cicero, Illinois.

NITTI subsequently committed suicide and the informant states that he learned from Doc RONGO that NITTI had cancer and knew it. The informant stated that Doc RONGO, during his period of acquaintance with him, lived on Cabrini Street in Chicago. The informant stated that he was very friendly with FRANK NITTI and described him as the enforcer, second in command under CAPONE and also described him as the collector. In this connection he stated that NITTI took care of the New York end of the funds being split at that time by Chicago and New York. He further described NITTI as a "go between" with the New York and Chicago outfits.

After FRANK NITTI's suicide, LOUIE "Little New York" CAMPAGNA took over for several months. He advised that this is contrary to common belief. Most people felt that PAUL "The Waiter" RICCA followed NITTI as head of "The Family". However, RONGO and others during that period advised the informant that actually CAMPAGNA had taken over. CAMPAGNA's reign, however, lasted only a few months when CAMPAGNA died. With CAMPAGNA out of the picture PAUL "The Waiter" RICCA assumed position of "head of the Family". He advised that PAUL "The Waiter" RICCA remained in control until his federal deportation proceedings at which time TONY ACCARDO became head of "The Family", remaining until he too got into trouble with the Federal Government in income tax matters, and cleared the way for SAMUEL MOE GIANCANA to assume the position of head of "The Family" which he now holds. He advised that although ACCARDO and RICCA no longer head "The Family" their influence is tremendous and they are part of the committee.

SAMUEL MOE GIANCANA AND THE COMMITTEE

The informant advised that at the time that ACCARDO stepped down from his position of leadership, SAMUEL MOE GIANCANA and SAM (TEETS) BATTAGLIA were considered to replace ACCARDO. He advised that most of the members in "The Life" felt that BATTAGLIA was actually stronger at that time and were amazed that GIANCANA was chosen. While GIANCANA is boisterous, BATTAGLIA is quiet and ruthless and for this reason most of the members in "The Life" felt that BATTAGLIA would be chosen.

b7D

The informant advised that the committee set up presently consisted of five members. The committee is headed by SAMUEL MOE GIANCANA and his associates, JACK CERONE, FIFI BUCCIERI, SAM (TEETS) BATTAGLIA and ANTHONY ACCARDO. He advised that all of the aforementioned individuals are Italian and, of course, in "The Life".

The informant advised that acting in an advisory capacity to the committee is PAUL "The Waiter" RICCA who never quite regained his position of authority due to his pending deportation.

Also acting in an advisory capacity is MURRAY "The Camel" HUMPHREYS who represents the non-Italian top associates of "The Family". He advised these non-Italian associates of stature are RALPH PIERCE, GUS ALEX, LESLIE KRUSE and LEONARD PATRICK and EDDIE VOGEL.

Also acting as an advisor to the committee is BUSTER WORTMAN who advises on all matters pertaining to the criminal activity in East St. Louis, Illinois and Henderson, Kentucky.

The informant advised that ROSS PRIO is an exceptionally influential individual in "The Family". The informant advised he has heard from various sources that he is also on the committee. However, he has also heard information to contradict PRIO's presence on the committee and therefore advised he is not sure of PRIO's actual position of leadership in "The Family" other than he is an extremely powerful individual. He advised that the committee at present is heavily weighted with Siciliano members advising that with the exception of FIFI BUCCIERI and PAUL RICCA who are Camora, the rest are Sicilian.

Informant advised that SAMUEL MOE GIANCANA was "made" before his being sent to the penitentiary. He advised he was one of AL CAPONE's associates and by the time GIANCANA got out of the "42 Gang" he was "made" or brought into the outfit. He advised further that MARSHALL CAIFANO and SAM (TEETS) BATTAGLIA, who also were members of the "42 Gang", were "made" years ago, shortly after GIANCANA was brought into "the life".

Informant advised that FIFI BUCCIERI years ago worked for MARSHALL CAIFANO's brother. He advised that CAIFANO's brother was eventually ki led but not before he sponsored FIFI BUCCIERI. He advised that FIFI BUCCIERI ultimately became extremely close to MOE GIANCANA and actually was a partner in many of MOE GIANCANA's ventures. He advised that TONY ACCARDO and SAM (TEETS) BATTAGLIA

b7D

were both "made" in the days of AL CAPONE.

He advised with reference to JACK CERONE that CERONE was "made" in the early 1940's and was given a district on Crawford Avenue with an office on Crawford Avenue near Washington in a saloon. He advised that in this period JACK CERONE and JOE "JOE GAGS" GAGLIANO, were extremely close associates. Informant advised that CERONE was actually sponsored by TONY ACCARDO and PAUL RICCA.

With reference to the non-Italian associates, the informant advised that MURRAY HUMPHREYS is the spokesman for these individuals. Many of them are concerned with gambling, union matters and legal matters. These individuals are chosen and gain positions of prominence by virtue of their political connection as well as for proving themselves in an acceptional manner in "outside" business.

Although these individuals become bosses, they can never be sworn into "The Life".

Informant advised that these top associates are generally called to attend the banquet where new members are taken into "The Life", however, the top associates are called in several hours after the candidates are made and are not present during the ceremony.

The informant estimates that there are approximately 150 Italians in "The Life" in Chicago whereas there are thousands in New York City. He advised that New York City uses "button men" and the soldier system, which includes many more members plus the fact that there is more than one family in New York each with their "button men and individual soldier system". The word Caporegime, the informant explained, is used interchangeably with Don. He advised that this term is seldom used in the Chicago area and if used refers to a head of a section of a town or an overseer. The informant advised that the term "button men" is used only in New York City and is not a common term in Chicago. He advised the term "soldiers" is not common to Chicago but if it were it would refer to the individuals who would work directly beneath the Don or Capo who boss a district. He advised the term mustachios refers to old-time Sicilians who were generally kill crazy and handled every problem with a killing. He advised not only is this term dying out but also the individuals to which it applied. He advised today "The Family" members are more suave and have abandoned the old fashioned ideas.

ORGANIZATIONAL SETUP IN CHICAGO AND SUBURBAN AREAS

Rockford

FRANK BUCHERIA, not to be confused with FRANK BUCCIERI, brother of FIFI BUCCIERI, controls the Rockford area. He advised that BUCHERIA got in through his father-in-law and two other individuals in 1958. One of the two associates of BUCHERIA's father-in-law is now the boss of Dallas, Texas, probably JOE CIVELLO.

The informant advised that FRANK BUCHERIA runs all the gambling, juke boxes, pin ball machines, crap games and two poker games. The informant advised that he was familiar with the situation in 1961 but not since that period. He advised that Rockford opened up in 1959 and was running open in 1961 when he, the informant, last had contact with the situation in that area. He advised that FRANK BUCHERIA answers to JIM DE GEORGE, who is now retired somewhat, who in turn reports direct to SAMUEL MOE GIANCANA and the committee. Informant advised both FRANK BUCHERIA and JIM DE GEORGE are both in "The Life".

Calumet City and Chicago Heights

The informant advised that this area is controled by FRANK LA PORTE who was taken into "The Life" many years ago and who reports directly to SAMUEL MOE GIANCANA.

Joliet

JOE "BLACK JOE", "NIGGER JOE", AMATO and WILLIE "POTATOES" DADDANO are about on an equal par in the Joliet area. He advised that WILLIE POTATOES and AMATO were taken into "The Life" years ago. He advised that WILLIE POTATOES DADDANO has influence in other areas of Chicago and its suburbs while AMATO sphere of influence is strictly in Joliet and Lake County. He advised that DADDANO, formerly the chauffeur for JAKE GUZIK, is a powerful individual and closely associated with SAM GIANCANA.

The informant advised that the Joliet picture could not be complete without mentioning of FRANCIS CURRY who, although not in "The Life", is a powerful political figure who protects the outfit's interest in that area and strong enough to speak directly with SAM GIANCANA.

WAM:JVK

Lake County

Informant stated that BLACK JOE AMATO and JIM DE GEORGE operated Lake County interests for organized crime. He stated that EDDIE VOGEL has the slot machines in the Lake County area and that LESLIE KRUSE handles the gambling operations there. Informant advised that JOE CRACKERS MENDINO, prior to his death, was in charge of Lake County.

Informant stated that the political contact and man of influence for organized crime is alleged to be the Sheriff of Lake County, Illinois.

East St. Louis, Illinois

In connection with East St. Louis, the informant stated that "outfit" interests are maintained through a strictly political setup which is in the hands of BUSTER WORTMAN who is an associate of the committee members. WORTMAN is not in "The Life" but is allowed to operate as long as tribute is paid to GIANCANA and the other committee members.

Davenport, Iowa

Informant stated that this area is under the control of the brother of FRANKIE "one ear" FRATTO. Informant stated that FRATTO's brother was never "made", however, he has run this section for Chicago's interests since the time that MICKEY COHEN went to California from this area.

DuPage County

Informant stated that DuPage County is under the control of an attorney who is an associate of the committee and that his reason for power there is his political connections. The informant could not recall the name of the attorney but stated he is presently associated with ANTHONY LUPO who has received large sums of "outfit" money in construction of homes and job centers in the Addison and Aurora area. According to the informant, LUPO has not "been made".

The informant further advised that a banker who is either the Vice President or President of a bank in Wheaton, Illinois handles "outfit" money for ANTHONY LUPO and the lawyer mentioned above. The informant could not recall the exact name of the bank in the Wheaton area.

[redacted]

WAM: VK

b7D

Melrose Park

Informant advised SAM (TEETS) BATTAGLIA and MARSHALL CAIFANO, both in "The Life" rule the Melrose Park area. TEETS BATTAGLIA being supreme in this area. He advised that JACK CERONE formerly had tremendous influence in the Melrose Park area, however, several years ago sold out his end to SAM TEETS BATTAGLIA. He advised actually that CERONE received a piece of policy on the west side of Chicago for his interest in the Melrose Park area. He advised that ROCCO DE GRAZIA has also sold his gambling interests to SAM TEETS BATTAGLIA. He advised that ALBERT OBBIE FRABOTTA and FELIX (Milwaukee Phil) ALDERISIO also have a small piece of the action in the Melrose Park area. He advised that when these two individuals were taken into "The Life" about 1956 room was made for them in the Melrose Park area and they made a percentage of the action in that area. He advised that in the Melrose Park area, however, Milwaukee PHIL ALDERISIO and ALBERT OBBIE FRABOTTA are under BATTAGLIA and CAIFANO.

Informant advised that in 1956, numerous individuals were taken into "The Life" and old districts were broken up in order to make room for these new individuals. He advised this resulted in some of the newer members getting a small piece of the profits in numerous areas as is the case with FRABOTTA and ALDERISIO in the Melrose Park situation. He advised that ROCCO DE GRAZIA, an old time member of "The Life" is now retired and has little to say in the Melrose Park area, however, he maintains a slight piece of the action in that area.

Kankakee, Illinois

Informant advised that WILLIAM "POTATOES" DADDANO is the top man in this area with two assistants who are from the Cicero area who were "made" several years ago but whose identity the informant did not know.

Cicero, Illinois

Informant advised that WILLIE "POTATOES" DADDANO is the top man in the Cicero area with JOSEPH O'BRIEN AIUPPA almost on the same level as DADDANO with the edge going to DADDANO. He advised that FRANK SHARKEY EULO supervises most of the gambling activities in Cicero for POTATOES and AIUPPA. He advised that ROBERT ANSANI was a close associate of JOSEPH AIUPPA representing AIUPPA in "several of AIUPPA's business ventures".

b7D

The informant advised that the "Greeks" are a powerful influence in the Cicero area, however, the informant explained that in Cicero the Greek situation is the same as anywhere else in the Chicago Division and that is that GUS ALEX represents all of the Greek interests in business ventures or gambling anywhere in the Chicago area. He advised therefore that GUS ALEX has the last say in Cicero and carries all problems to the committee and SAM GIANCANA from this area. He advised that one "Greek George", full name unknown, brother of "King George, who LAWRENCE "Dago Lawrence" SYLVESTER reportedly killed on Halsted Street between Harrison and Dekovan many years ago is directly beneath ALEX in Cicero.

The informant advised that NICKIE KOKENES has influence in the Cicero area but only because he is friendly with ALEX. He advised ALEX maintains peace between all Greek factions in Cicero and no one would have any power among the Greek faction if it were not for ALEX.

One interesting exception in the Cicero area is the Greek barbouth game. The informant advises that although JOEY AIUPPA receives most of the tribute from gambling in the Chicago area, this particular gambling operation belongs solely to FIORE FIFI BUCCIERI who originated the game, bringing it from the Halsted-Harrison Street section of Chicago to Cicero where it is now located. Due to this set of circumstances, BUCCIERI retains full interest in this gambling operation. He advised that one CHRIS PETERS runs the game but simply is an employee of FIFI BUCCIERI. Informant advised that at one time the "big game" operated by ROCCO FISCHETTI and his brother, JOE FISCHETTI, both of whom are in "The Life", CLAUDE MADDOX, BOB ANSANI and LESLIE "Killer Kane" KRUSE operated this game until several years ago for TONY ACCARDO who was getting the lion's share of the profit from this huge crap game. The informant advised that at one time SAM (TEETS) BATTAGLIA tried to buy into this game, however, was unable to do so. It is interesting to note that the Cook County State's Attorney's Office raided this game several years ago and confiscated more than $86,000, in cash at this crap game. The bank in this crap game was generally between $100,000 and $200,000 per night.

One JOSEPH CORNGOLD, according to the informant, handles most of the horse parlors existing in the Cicero area. He is an individual with much political power and answers to AIUPPA and EULO. He advised CORNGOLD is Jewish but a very strong individual and prominent associate in this area of organized crime. Informant advised he is strong enough to go directly to GIANCANA but respects the Italian element and refrains from exhibiting his power.

b7D

Near North Side

Informant advised that ROSS PRIO who is in the "life" is the over-all boss of the Near North Side with JOE "CEASAR" DI VARCO second in command. He advised that DI VARCO is also in the "life". He advised that JIMMY ALLEGRETTI is directly beneath PRIO and DI VARCO and is responsible for political connections, police payoffs, operation of strip joints and prostitutes. He advised that JIMMY ALLEGRETTI's brother handles most of the prostitution activity. He advised that one ANTHONY "TONY MACK" DE MONTE, who is an uncle of "CEASAR" DI VARCO, has a piece of the books over which "CEASAR" has direct control. He advised that "TONY MACK" could have been a powerful influence in organized crime however an individual known to him only as "The Old Man", a more powerful influence, held DE MONTE as well as one TONY PINELLI down for personal reasons. He advised that the "Three DOMS" are all in the "life". He advised that the "Three DOMS" are DOMINIC DI BELLA, DOMINIC NUCCIO and DOMINIC BRANCATO. He advised that the "Three DOMS" exert their influence in connection with bookmaking and strip joints and have a small piece of the profits from these enterprises. He advised that ALBERT "OBBIE" FRABOTTA and MARSHALL CAIFANO also share in the proceeds of this section of Chicago.

He advised that BILL GOLD and CHARLIE HAYES are primarily bookmakers who are in the "life" who are simply workers for DI VARCO and PRIO. Informant advised that KEN ETO, "The Jap", works for ROSS PRIO and is closely associated with PRIO.

Diversey District

He advised that LEONARD GIANOLA and SAM LEWIS, both in the "life" control this area of Chicago. He advised that JOSEPH "CRACKERS" MENDINO formerly had this district but since his death, GIANOLA took over most of his interests. He advised that "CRACKERS" MENDINO's brother, ROCKY MENDINO, not in the "life" also has a position of some control in this area by virtue of his relationship with his brother "CRACKERS".

North Side

NICK DE JOHN one of "The Don" men was then residing in San Francisco. "The Don" ordered DE JOHN to return to Chicago and with the aid of some individuals from Chicago Heights and Kansas City they were to kill ACCARDO. Another individual who was one of "The Don's" associates was ROSS PRIO. In addition (FNU) NEGLIA was associated with "The Don". NICK DE JOHN would not return to Chicago to carry out "The Don's" orders and was killed in San Francisco by orders of "The Don". NEGLIA during the course of the struggle was killed in a barber chair through the orders of "The Don".

[redacted] b7D

JGS:bab

ACCARDO and his associates learned of the revolt against their regime and a series of approximately 12 killings in a short period ensued. These killings aborted the overthrow movement of "The Don" and his associates and "The Don" himself was thereafter killed. "The Don" according to the informant controlled many legitimate businesses but the only one that he could recall was a cheese business in upper Wisconsin.

Among the associates of "The Don" at that time were JOE CAESAR DEVARCO, DOMINIC DI BELLA, DOMINIC NUCCIO and DOMINIC BRANCATO. Others were ANTHONY PINELLI and JIM DE GEORGE. The informant has been unable to recall the name of "The Don" to date.

LESLIE KRUSE

Informant advised that LESLIE KRUSE is directly responsible to MURRAY HUMPHREYS and is under such individuals as GUS ALEX and RALPH PIERCE. KRUSE according to the informant, is in charge of gambling operations in the Chicago area under HUMPHREYS.

ROBERT ANSANI, Aka., Robert Taylor

The informant advised that ANSANI was "made" many years ago and is a direct partner of JOE AIUPPA, Aka., Joe O'Brien. The informant described ANSANI as a "head man" for the "outfit".

JOSEPH LA BARBERA

Informant advised regarding LA BARBERA that he does not believe that LA BARBERA is presently a person of any power within the "outfit" in the Chicago area. He stated in fact that because of a recent encounter with LA BARBERA he feels that LA BARBERA is flat broke and not a member of the "family".

He stated that recently within the past month the informant was in the company of [redacted] b6 b7C b7D

[redacted] b7D

JGS:bab

Informant explained that LA BARBERA had the reputation of having been a tough individual years ago when he was in Buffalo, New York, but he got "jammed up" and was chased out of Buffalo. He went to New York where he settled near 106th Street but within 3 weeks he was chased out of that area and came to Chicago. When he arrived in Chicago he hung around the criminal element and finally bought a restaurant at Clark and Fullerton Streets where he had as apartner known only to the informant as New York TONY who is now involved in narcotics traffic. Informant indicated that all of the information he is able to obtain in connection with LA BARBERA indicates that he is broke and not a person of any repute in the Chicago area.

Attempts to Verify Informant's Information

As has been pointed out earlier Chicago Division recognizes that much of the information furnished by this informant is historical in nature and could be available to the informant from general conversations inasmuch as he has been involved with the criminal element in Chicago for over [redacted] years and not necessarily from direct contact. b7D

From an overall standpoint with reference to the general information particularly the spheres of influence of various hoodlums discussed in this communication the informant's information is accurate. The people generally fit into the places in organized crime which are known to the Chicago Division from prior intelligence information.

It is interesting to note that according to information received from the Houston Division on November 19, 1963, as a result of an inquiry from the Chicago Division information was developed that BIAGGIO ANGELICA [redacted] and for the most part information furnished by the informant was accurate regarding this individual. b7D

Houston Division advised that ANGELICA had been subject to investigation in that division for a number of years. Investigation developed that ANGELICA was formerly associated in Maceo Gambling Empire, Galveston, Texas, before its termination. He was also sentenced to 10 years in Leavenworth for a narcotics violation at Galveston, Texas,

[redacted] b7D

WAM:bab/ljf

and conditionally released to Houston, January 31, 1945. Informants report that ANGELICA is an acquaintance of JOSEPH FRANCIS CIVELLO of Dallas, Texas, and CARLOS MARCELLO of New Orleans. On August 12, 1930, ANGELICA was held for investigation at Hamtramck, Michigan, in connection with shooting of a police officer at Cross Point, Michigan, and released. In 1949 he was suspected of killing a Houston gambler named VINCENT VALLONE, Sr., but was absolved of having part in this murder. In 1958 extremely confidential information indicated Secret Service to conduct undercover investigation at Galveston to determine if ANGELICA in possession of counterfeit $10 plates formerly possessed by LUCKY LUCIANO. In December, 1958, ANGELICA was charged with arson in connection with burning of a clinic at High Island, Texas, and on October 22, 1963, after trial at Galveston, Texas, was sentenced to serve two years in a Texas penitentiary. He is presently free on appeal bond.

Conclusion

It is recognized that the reliability of this informant must be established at the earliest possible date to lend credence to the information he has already furnished and the information he will furnish in the future. The fact that the informant is presently [redacted] keeps him out of the company of many of the highly placed individuals in organized crime in Chicago. [redacted] b7D

This, of course, presents a problem to the Chicago Division inasmuch as direct assignments cannot be given to this informant on a high level and another means of checking and verifying the informant's information must be devised.

One of these recommendations is to closely follow the information he has supplied with reference to the Winston Diamond burglary in Chicago, and the passing of $230,000 counterfeit Bank of America Travelers Checks. Both these cases are being given attention by the Agents handling the informant.

[redacted] b7D

WAM:bab/plb

The informant has every logical reason to [redacted] inasmuch as he [redacted] b7D b7E [redacted]. It is therefore recommended by the Chicago Division that the Bureau grant authority to pay informant up to [redacted] for [redacted] in line with the plan described above.

Rebulet to Chicago November 21, 1963, wherein Chicago not granted authority to designate informant as a TE informant. Since Bureau was not in possession of the above information which indicates the excellent potential of informant and in view of the discussion between SAC JOHNSON and Assistant Director COURTNEY EVANS on November 21, 1963, concerning captioned informant, Chicago will continue with the development of informant under the Top Echelon Program, UACB.

CG 92-1322

DETAILS:

I. BACKGROUND

Residence

BLASI continues to reside with his wife and family at 1138 North Park Avenue in River Forest, Illinois.

CG T-1 has advised that SAM GIANCANA has, on occasion, remained at least for a period of one night at a time at the residence of BLASI.

Employment

The following investigation was conducted by IC JOSEPH D. HAMMITT of the Springfield Division:

[redacted], Clerk, Corporations Section, Secretary of States Office, Springfield, Illinois advised on December 11, 1963 that a check of records failed to reflect any record for DOMINIC BLASI Real Estate Company, 5937 West Grand Avenue, Chicago, Illinois. b6 b7C

[redacted] advised that the Articles of Incorporation for the Schiller - Ivanhoe Corporation were filed April 11, 1962 at which time the subscribers to the shares of the corporation were as follows: b6 b7C

SAM N. SYRACUSE, 139 North Clark Street, Chicago, Illinois;
ANTHONY G. ERRACCI, 139 North Clark Street, Chicago, Illinois
DANIEL LAPINS, 139 North Clark Street, Chicago, Illinois.

He also advised that the registered agent is ANDREW KASHA and that the duration of the corporation is perpetual.

[redacted] further advised that the annual report for this corporation was last filed on May 9, 1963 and reflected the registered agent as SAM N. SYRACUSE and the officers and directors as follows: b6 b7C

President and Director: SAM N. SYRACUSE, 1 East Wacker Drive, Chicago, Illinois

Secretary-Treasurer and Director: JAMES CERONE, 3723 North Ruby Street, Schiller Park, Illinois

Director: DOMINIC BLASI, 3723 North Ruby Street, Schiller Park, Illinois.

[redacted] also advised that the character of this business as given in the annual report is to buy, sell, lease or otherwise hold title to or any interest in real estate; to build, develop, improve, sub-divide or otherwise deal with real estate; to engage in the construction of improvements upon real estate and to do any and all things usual and customary in the building, leasing, buying, selling, developing and managing of real estate. b6 b7C

He also advised that the aggregate number of shares this corporation has authority to issue as of the preceding December 31st, is 1,000 shares of common stock with no par value and the aggregate number of shares issued as of the preceding December 31st, is 100 shares of common stock with no par value. He also advised that the amount of the stated capital and paid in surplus as of the preceding December 31st is as follows:

Stated Capital - $1,000
Paid in Surplus - $17,517.28
Total - $18,517.28

He also advised that the value of all property owned by the corporation for the following year is $50,000, the estimated gross amount of business, which would be transacted during the following year is $200,000.

[redacted] also advised that on May 20, 1963, a change of registered agent and office was filed and the present address of the corporation is 3723 North Ruby Street, Schiller Park, Illinois and the new registered agent is SAM N. SYRACUSE. b6 b7C

It is pointed out that CG T-2 has advised that BLASI reflects an annual income for the year 1962 of $21,000 from his employment as a real estate agent.

II. HOODLUM ACTIVITIES

CG T-3 and CG T-4 advised during the latter portion of 1963 that "BUTCH" BLASI was at that time acting as an appointment secretary for SAM GIANCANA and cleared all meetings with persons desirous of meeting with GIANCANA. These sources advised that the only other person who was able to arrange meetings with GIANCANA was GIANCANA's son-in-law, ANTHONY TISCI. It was further learned from CG T-4 that BLASI, during this period, acted as a messenger of significant information between GIANCANA and second parties involved.

CG T-5 advised that BLASI was observed in the company of GIANCANA on an almost daily basis from early November through the latter portion of December, 1963.

CG T-1 has advised that BLASI meets with individuals such as GIANCANA, CHUCKIE ENGLISH, TARQUIN "QUEENIE" SIMONELLI, JACKIE CERONE, SAM ROSA, and BUSTER WORTMAN on a daily basis.

CG T-1 and CG T-4 have recently furnished information which indicates that BLASI is probably the only person who is constantly aware of the location of GIANCANA, whether he be in or out of the Chicago area and is at all times aware of how to reach GIANCANA should it become necessary to do so.

BLASI, when observed chauffeuring GIANCANA on several occasions during the period of this report, has been observed to be highly conscious of possible surveillances and goes to extreme measures to detect any surveilling units in the area.

III. ASSOCIATES

It can be generally stated that practically all persons connected with the organized criminal setup in the Chicago area are known to BLASI. Set forth hereafter in this section are only those persons who it has been learned BLASI spends more than the nominal amount of time with and who it is known BLASI confides certain bits of information concerning the activities of GIANCANA.

SAM ROSA

ROSA is a Chicago gambler and bookmaker who has been reported by various sources to also keep books and records for Chicago hoodlums SAM BATTAGLIA, PHIL ALDERISIO, and MARSHALL CAIFANO.

CG T-1 and CG T-5 have advised that ROSA meets with BLASI on an almost daily basis in various sections of the western suburbs.

IV. MISCELLANEOUS

CG T-1 has advised that BLASI is accustomed to rising by 7:00 a.m. each morning and departing from his residence by 8:00 a.m. for the purpose of making business calls. This source hasadvised that BLASI attempts to have all business contacts, apparently those having to do with his real estate business, out of the way by noon each day so that he will then be free to handle the affairs of GIANCANA as desired.

CG T-1 advised that on a recent clandestine meeting in Chicago between PHYLLIS MC QUIRE and SAM GIANCANA, that BLASI was entrusted with the job of meeting MC QUIRE at O'Hare Airport and bringing her to a secret meeting with GIANCANA.

It was further learned that during November, 1963 KEELY SMITH, a noted female entertainer and former paramour of GIANCANA was in the Chicago area and was escorted on several occasions by BLASI to meetings with GIANCANA.

ANTHONY JOSEPH ACCARDO,
Chicago File 92-344

Informant advised that [redacted]. He advised that [redacted] is a "juice" operation, operated by [redacted]. He advised that [redacted]. It is noted that informant previously advised that [redacted] is a front man for TONY ACCARDO. b6 b7C b7D

Informant advised that the majority of the Chicago hoodlums do not desire to have their children follow in their footsteps. He advised that this is no exception with TONY ACCARDO; however, unbeknown to TONY ACCARDO, [redacted] is starting to use "muscle" tactics in his dealings. b6 b7C

JOSEPH JOHN AIUPPA,
Chicago File 92-677

Informant advised that JOEY AIUPPA, commonly referred to as JOEY O'BRIEN, does not control Cicero, Illinois. He advised that AIUPPA operates the Towne Hotel and several other strip joints in Cicero and a gambling games which formerly operated. It is noted that informant previously advised that Chicago hoodlum FRANK FERRARO controls Cicero, Illinois, on behalf of SAM GIANCANA. Informant advised that "LITTLE FIVE," (LARRY RUSSANO), works for JOEY AIUPPA at the Towne Hotel. He advised that "LITTLE FIVE" used to hang around with WILLIE MESSINO, JOE GAGLIANO and JACK CERONE at a tavern on the corner of Crawford Avenue and Western Avenue. FELIX ALDERISIO, aka
"Milwaukee Phil,"
Chicago File 92-415

Informant advised "CHERRY NOSE GIOE" was murdered by ALDERISIO and CHUCK NICOLETTI approximately ten years ago. He advised that GIOE was killed because he had a violent argument with CAMPAGNA (now deceased, formerly a controlling member of organized crime in the Chicago area). Informant advised that because of the successful manner in which this slaying was committed, ALDERISIO then received additional responsibilities in organized crime. This slaying on the part of ALDERISIO was the stepping stone, on the part of ALDERISIO, to become a leading figure in organized crime in the city of Chicago. He advised prior to this time ALDERISIO was a mere "worker" performing errand activities and "muscle".

Informant advised that during the mid-1940's, ALDERISIO was a partner with BILL VASSIOS, being employed by "SUGAR" JOE PESKIN. He advised that both ALDERISIO and VASSIOS acted as bodyguards, chauffeur and errand boys for "SUGAR JOE" and also provided "muscle" activity on behalf of PESKIN, who was then a wealthy individual in the jukebox industry. He advised that PESKIN is now retired and residing in California. He advised that BILL VASSIOS is now operating as a front man in the operation of J & K Amusement on behalf of Chicago hoodlum RALPH PIERCE. It is interesting to note the relationship between VASSIOS and ALDERISIO back in the mid-40's, inasmuch as VASSIOS, up a recent point, was only able to secure financing and purchasing of Rockola coin-operated machines, which is operated by GIL KITT, and it has previously been reported by this informant that ALDERISIO has a financial interest in the operation of GIL KITT. Informant advised that until recently, VASSIOS was unable to secure credit and purchase equipment from World Wide Distributors, the distributor of Seeburg coin-operated machines, until he, VASSIOS, received the personal backing from EARL KIES, operator of Apex Amusement Corporation, owned by Chicago hoodlum EDWARD DAVID VOGEL, in that KIES personally assured World Wide Distributors as to VASSIOS' credit.

Informant advised that IRV WEINER is the principal front man for all ALDERISIO's activities. He advised that

[redacted] b7D

prior to ALDERISIO gaining control of WEINER, he, WEINER, was a bondsman only in the city of Chicago. He advised that "the outfit" does not completely trust WEINER and the informant feels that if enough pressure or circumstances were presented concerning WEINER, WEINER would be the subject of a gangland slaying.

Informant advised that ALDERISIO recently attempted to "muscle" into the business of [redacted], known as [redacted], located at [redacted]. Informant advised that to his knowledge, ALDERISIO was not successful in obtaining control of [redacted]. b6 b7C

DOMINIC "BUTCH" BLASI, aka
AR

For the information of the Springfield Division, BLASI is the chauffeur and leading errand boy for Chicago Top Hoodlum SAM GIANCANA. In this role BLASI is the only individual constantly aware of GIANCANA's whereabouts at all times and is utilized by GIANCANA for transportation to and from airports when traveling. Chicago has been unable to determine the 1964 license registration of BLASI's vehicle to date.

Springfield is requested to review files at the Secretary of States Office for registration of this vehicle. For the information of the Springfield Division, BLASI resides at 1338 Park Avenue, River Forest, Illinois. The possibility exists that the car might be registered in the name CONSTANCE BLASI, the wife of DOMINIC BLASI, who resides at this same address.

At approximately 11:00 p.m., DOMINIC "BUTCH" BLASI was observed entering the Peter Pan Restaurant located on Harlem Avenue just north of North Avenue in Elmwood Park, Illinois. BLASI was encountered sitting at the counter eating and was questioned as to whether he would mind conversing with the agents at that time. BLASI appeared in a friendly mood and invited the agents to join him at the counter.

After some small talk concerning general topics of the day, BLASI stated that recent developments had strongly indicated to him that SAM GIANCANA is still the subject of a twenty-four hour surveillance by the Federal Bureau of Investigation. When questioned as to his reasons for this comment, BLASI stated that he had recently learned that the Government had observed GIANCANA dining on a recent Friday evening in the Cape Cod Restaurant of the Drake Hotel. BLASI indicated that he was certain, from the information indicated that he learned that Agent [redacted] [redacted] to whom the GIANCANA case is assigned, which information is known to GIANCANA and his associates, was reportedly the agent who was involved in this surveillance. Attempts to deny this fact to BLASI only served to increase BLASI's belief of the fact. b6 b7C

BLASI continued that for the above reason, that is that GIANCANA feels that he is under twenty-four hour surveillance, that GIANCANA is leading a very non-disrupt existence and is meeting with few people of importance. BLASI claimed that GIANCANA is presently nothing more than a retired businessman enjoying a game of golf when he can get to it.

In answer to a question as to why BLASI did not accompany GIANCANA on a recent trip to Hawaii, BLASI answered that "I don't make that kind of money." BLASI continued that his business commitments are such that he is unable to leave Chicago for any length of time during the year such as GIANCANA does.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned your agency; it and its contents are not to be distributed outside your agency.

At the conclusion of the interview, BLASI was questioned as to whether he would have any objections to talking further to the agents. He answered that he would have no objections to such a conversation but added laughingly "I don't know anything about the Cosa Nostra" and continued that from what he has been able to state, that is the only thing that the FBI is interested in at this time.

II. LEGITIMATE BUSINESS

CG T-4 advised in February, 1964, that a group of individuals composed of BUTCH BLASI, ANDY KASHA, AL CARDOMONE and ED LACHIN had formed a group which recently purchased the Elmwood Park Cemetery which plot of land consists of an area of approximately two square miles.

This informant advised that a huge amount of money was involved in this transaction, however, was unable to make an estimate of the figure involved. The informant continued that this group gained control of the Cemetery Corporation through the purchase of public bonds. It was learned that the perpetual card funds of this cemetery were all held in the form of bonds which were part of the transaction.

The informant advised that this group now plans to subdivide a portion of the land purchased on which they plan to erect a shopping plaza and a home development area.

The informant advised further that the land itself is located in the village of River Grove, Illinois, and that the individuals noted above were known to have made contacts with the village manager of River Grove, for the purpose of obtaining the various permits needed to carry out their desires in this matter. The informant is unaware as to whether or not any illegal transactions were involved in the purchase of this land.

DETAILS:

I. BACKGROUND

Residence

On June 1, 1964, SA JOHN R. BASSETT conducted investigation in the neighborhood of 1138 Park Drive, River Forest, Illinois, and determined that DOMINIC BLASI continued to reside at 1138 Park Drive. On the evening of the same date, a surveillance was conducted on the residence of BLASI during which surveillance he was observed to be at this residence.

Employment

CG T-1 advised during June of 1964, that the actual operation of the Armory Lounge, located on Roosevelt Road in Forest Park, Illinois, is handled by BUTCH BLASI. This informant advised that DORIS FANELLI, the owner of record of the Armory Lounge, refers all prospective employees to BLASI prior to their being hired. It was further learned that any decision of importance concerning the operations of this restaurant are left to BLASI's discretion. It is pointed out that information has been received in the past that FANELLI is merely a front for SAM GIANCANA in the operation of this lounge. From the information received above, it would appear that GIANCANA is in actuality the owner of the lounge and has BLASI run the operation for him with FANELLI as the front.

CG T-1 and CG T-2 have indicated that they have observed BLASI entering the Armory Lounge on an almost daily basis during the past three months. CG T-2 has indicated that BLASI has been observed to appear at the lounge in the company of many well-known Chicago hoodlums, such as JOEY AIUPPA, CHARLES ENGLISH, JOHN CAMPANELLI and, of course, SAM GIANCANA.

II. MISCELLANEOUS

CG T-1 and CG T-3 continue to furnish information on a regular basis reflecting BLASI's main function is to serve as a chauffeur and messenger for SAM GIANCANA.

CG 92-1322

CG T-3 advised, during April and June of 1964, that BLASI is the person who is contacted when appointments are to be set up with SAM GIANCANA. This informant further advised that BLASI is the one individual who is constantly aware of GIANCANA's whereabouts when out of the city and further of his expected return.

I. BACKGROUND

Miscellaneous

CG T-1 has advised on numerous dates in July, August and September, 1964, that BUTCH BLASI continues to frequent the Armory Lounge on an almost daily basis and is observed there in the company of SAM GIANCANA, CHUCK ENGLISH, QUEENIE SIMONELLI and other Chicago hoodlums.

This informant advised that during several conversations with BLASI during this period, it has become apparent that BLASI is in constant touch with SAM GIANCANA and is in a position to advise when he feels it necessary to know GIANCANA's itinerary.

CG T-1 further advised that BLASI advised that he has been meeting with SAM GIANCANA at GIANCANA's home frequently during the last several months which fact has been confirmed through observations of Bureau Agents of the Chicago Division.

On September 15, 1964, BLASI was observed departing from the residence of GIANCANA at approximately 9:30 a.m. Two unidentified males were observed seated in the rear of BLASI's car with the rear door open indicating that they had just entered the vehicle. Also noted present at the residence of GIANCANA was the car of ROCCO POTENZO, a lieutenant of GIANCANA's who it is assumed was also present at this meeting.

The following investigation was conducted by IC JOSEPH D. HAMMITT at Springfield, Illinois, concerning vehicles registered to BUTCH BLASI and his family:

[redacted] Auto Registration Section, Office of Secretary of State, advised on July 13, 1964, b6 b7C

that 1964 Illinois License LK-8429 was issued April 22, 1964, to DOMINIC BLASI, 1138 Park Avenue, River Forest, Illinois, for 1965 Ford Mustang convertible, Vehicle Identification Number 5F08D108748. He also advised that 1964 Illinois License CB-1138, was issued January 27, 1964, to CONSTANCE P. BLASI, 1138 Park Avenue, River Forest, Illinois, for 1964 Oldsmobile, "98" convertible, Vehicle Identification Number 884M072196.

CG T-1 advised in August, 1964, that during the recent conversation with BLASI, he had indicated that he was attempting to purchase some property in the Miami, Florida area. A review of credit records in the Miami area failed to reflect any indication at this time of any purchases by BLASI in the Miami area to date.

Informant advised that SAM GIANCANA was observed rather infrequently during August at the Armory Lounge and in fact, none of the usual associates of GIANCANA were very much in evidence during that month. The informant spoke on several occasions with BUTCH BLASI and on one occasion learned that BLASI indicated that he was planning to purchase some property in the Miami area. The informant felt, from BLASI's comments, that a strong possibility exists that BLASI is actually purchasing the property in behalf of GIANCANA, but that informant has no definite infrmation to this effect.

On 9/1/64, the informant observed GIANCANA departing the Armory Lounge in the company of BUTCH BLASI and observed both carrying several pieces of luggage which was placed in BLASI's car. BLASI was observed by the informant to appear at the lounge in approximately two hours and assumed that BLASI had taken GIANCANA to the airport.

The informant noted that the 1960 Chevy that is driven most frequently by GIANCANA was parked at the rear of the Standard Oil station located just to the east of the Armory Lounge on Roosevelt Road for the ensuing five days.

The informant further advised [redacted]. b7D

The informant advised on 9/18/64 that she had recently been in contact with CHUCKIE ENGLISH, who seemed to be extremely happy these days, and has been observed frequenting the Armory Lounge on an almost daily basis.

The informant advised that within the past week, "QUEENIE" SIMONELLI has been observed driving a new orchid Pontiac BonneVille.

The informant further advised that on 9/21/64 a day on which the Armory is closed for outside business, SAM GIANCANA was observed at the Lounge in the company of an elderly male whose identity was unknown to the informant. The informant advised that both arrived in a car driven by the unknown individual but that it was impossible to identify the plates on this car.

Playing with GIANCANA were JOHN CAMPANALE, LITTLE LOUIE (SURIANO), SLICKER SAM ROSA and an individual known only as FRANK. On the 22nd, the informant advised that he had learned that JACKIE CERONE was planning a trip to Kings Bay, Florida, on November 11, and would remain at Kings Bay from the 11th to the 14th. At this time the informant was unaware of who was going to accompany CERONE on this trip.

On October 25, 1964, informant advised that he learned that BUTCH BLASI was to return on Sunday from Phoenix, Arizona, where he had been for the larger portion of the week. On September 23, 1963, Chicago Sun Times, Five Star Final Turf edition, page 1, contained an article captioned "CHICAGO MOB LIST HANDED TO SENATORS."

Said article reflected that Chicago police have tabbed 140 gangsters as suspected members of the murderous Cosa Nostra brotherhood, the Sun Times learned Sunday.

The Cosa Nostra suspects are among 195 Chicago hoodlums listed in a Chicago police report to the United States Senate rackets committee.

The police report is part of the evidence assembled by the committee to back the testimony of its star witness, JOSEPH VALACHI, 58, a onetime Cosa Nostra mobster in New York City.

VALACHI will appear at the hearings this week. He has described Cosa Nostra ("our thing") as a national terrorist brotherhood which rules organized crime with "families"-or gangs-in Chicago and eight other cities.

According to VALACHI, more than 250 gangsters make up the Chicago "family" of Cosa Nostra.

The 140 gangsters are shown in a single "family" of the Chicago underworld in the report to the Senate committee from the Chicago Police Intelligence Division.

Cosa Nostra is a name seldom heard in the Chicago underworld, the intelligence division reported. In Chicago, the detectives said, the gang VALACHI calls Cosa Nostra is known simply as the "mob", the "outfit", or the "syndicate".

Under the top command, the intelligence division lists mobsters in four subdivisions of the Chicago "family" and crime syndicate.

Included in listing for the West Side was DOMINIC BLASI.

92-1355-18 p. 5

Chicago report by SA JOHN W. ROBERTS, JR. dated October 11, 1963 entitled "TARQUIN SIMONELLI, aka.", reflected that according to [redacted] and CG 6343-C*, SIMONELLI has associated with such persons as ANTHONY JOSEPH ACCARDO, SAMUEL "MOONEY" GIANCANA, MURRAY HUMPHREYS, CHARLES and SAM ENGLISH, JACK CERONE, FIORE BUCCIERI, DOMINIC BLASI, JOHN MATASSA, and ROCCO POTENZO, all of whom are known members of the organized criminal element in Chicago. b7D

In November 14, 1963, [redacted] advised SA WILLIAM A. MEINCKE that WILLIAM "POTATOES" DADDANO has influence on the West side of Chicago, particularly with reference to "juice" activities and crap games. It was his opinion that FRANK "THE CALICO KID" TEUTONICA handles most of the juice activities for DADDANO. b7D

It was the opinion of this source that TARQUIN "QUEENIE" SIMONELLI, JOSEPH "PEPPY" GIANCANA and DOMINIC "BUTCH" BLASI are "made" members of the organized criminal element and are associates of WILLIAM DADDANO in the West side area.

On January 3, 1964, [redacted] advised SA JOHN W. ROBERTA, JR. that SAM GIANCANA, CHARLES ENGLISH, BUTCH BLASI and TARQUIN SIMONELLI had been observed at the Armory Lounge in River Forest, Illinois, on November 29-30, 1963 and December 1 through 8, 1963, 10, 11 and 12, 1963. b7D

The informant advised on December 1, 1964, that she had observed SAM GIANCANA on the previous evening together with a new female companion whose identity was unknown to the informant. It was learned that GIANCANA spent several hours on the preceding evening at the Armory Lounge in the company of BUTCH BLASI, CHUCK ENGLISH and a person later determined to be JOE MARKS. In this connection the informant advised that within the past two months, the individual determined to be MARKS has been spending a great deal of time at the Armory Lounge and on almost every occasion that the informant has seen GIANCANA recently, MARKS has been in his company. The informant is unaware of MARKS' occupation.

BUTCH BLASI had a conversation with the informant on December 15, 1964, and advised that he had not been working for the past several months after having a serious illness during September, 1964. BLASI indicated that he had had some type of respiratory problem which required his not moving about too greatly. As a result BLASI spent a considerable amount of time at his home and has not been up and around. BLASI stated that he seems to be feeling better now and hopes to be getting around again as usual.

Informant advised that CHUCK ENGLISH continues to frequent the Armory Lounge four or five times each week and as recently as December 13, 1964, was observed in the company of two unknown females.

On December 9, 1964, informant advised that

[redacted]

b7D

Informant stated that SLICKER SAM ROSA, TARQUIN SIMONELLI, BUTCH BLASI and on some occasions SAM PARDE, have been conducting almost daily, a gin rummy game in the basement of Maggio's Restaurant in Forest Park. Apparently ROSA is booking out of Maggio's. According to the informant, ROSA is merely working for someone who is also connected with Maggio's but whose name is unknown to the informant.

On December 15, 1964, informant advised that he recently learned that RED PASSERELLA does some bookmaking while conducting his business as a liquor salesman. PASSERELLA is employed by one of the major liquor distributors and sells to most of the hoodlum owned bars in the city. PARDE is known to frequent the Armory Lounge a great deal and according to the informant, he is close to SAM GIANCANA. During mid November, PASSERELLA took JOHN CAMPANALE to a store at the Southwest corner of State and Division Streets in Chicago where he purchased several tables and booths which CAMPANALE is installing in his restaurant "The Spot". Informant further advised that on three nights during the previous two weeks, SAM GIANCANA had been the host in groups arranging from five to ten persons at the Sahara North Motel and it was the informant's understanding that the bills picked up by GIANCANA were in excess of $1,000 on each evening.

Informant further learned that the girlfriend of JOHN CAMPANALE drives a white and medium blue 1963 Ford

with Illinois License [redacted]. (This is registered to one [redacted]). b6 b7C

On the 22nd, the informant advised that a colored detective supposedly from the States Attorney's Police had been in "The Spot" Restaurant. Apparently this individual, after talking in general for some time, desired to obtain some liquor but was denied by the bartender saying that he was unable to sell any to this person. The detective advised that he would stop back later but did not do so to the informant's knowledge. The informant stated that this individual drove a 1962 Plymouth with Illinois Plates [redacted]. b6 b7C

The informant further advised that he learned that an individual unknown to him is picking up bets in the area of Fullerton and Kedzie on a daily basis. This individual has been observed by the informant to drive a car with Illinois Plates [redacted]. (This car is registered to [redacted] on a Chevrolet). b6 b7C

Informant advised on the 22nd that SAM GIANCANA had departed Chicago on the 18th of December for several days and as of the 22nd, had not returned. The informant was of the opinion that GIANCANA had gone to New York but was unable to verify this.

On the 28th, informant advised that he believed GIANCANA had again left the city on the previous Saturday night which would have been the 26th of December. He further advised that GIANCANA was at the Armory Lounge each evening during the preceding week and met with many persons during that period.

Informant advised that JOHN CAMPANALE has recently hired one [redacted] as a bartender for "The Spot" Restaurant. Informant advised that [redacted] is an individual who formerly owned his own bar but who had just lost his liquor license because he was arrested by Sheriff's Police led by former Chief Investigator [redacted] for selling stolen merchandise b6 b7C

in the bar. According to the informant, [redacted] had been very close to a policewoman working for [redacted] supposedly the same individual who recently was indicted for [redacted]. According to the informant, [redacted], after spending a great deal of money on this woman, was set up by her after she learned of his disposition of stolen goods. [redacted] had had an intention of "blowing the whistle" on [redacted] and the policewoman whom he supposedly "had a great deal on" but was told by JOHN CAMPANALE to forget about it. [redacted] indicated that he would take care of him to make up for any money he might lose on his establishment.

DETAILS:

I. BACKGROUND

Employment

CG T-1 advised on December 15, 1964, that in a recent conversation with BUTCH BLASI, BLASI indicated that he was no longer employed in any capacity having been idle since suffering an illness during September, 1964. Informant was unaware of the nature of BLASI's illness and he did not go into specific details concerning this illness. It is noted that the Schiller - Ivanhoe Realty Company, the last known employment of BLASI's, is no longer in operation.

II. ILLEGAL ACTIVITIES

CG T-2, CG T-3 and CG T-4 all furnished information during December, 1964 and January, 1965, indicating that information had been made available to each to the effect that numerous persons had been in contact with BLASI during that period for the purpose of arranging meetings with SAM GIANCANA. These sources advised that BLASI continues to be the individual who is constantly aware of GIANCANA's whereabouts and in a position to advise persons as to when and where GIANCANA will meet with them.

CG T-2 advised in January, 1965, that BUTCH BLASI made arrangements for a group of some fifteen of GIANCANA's lieutenants to meet at "The Spot" Restaurant in Hillside, Illinois. The informant advised that those who were supposed to be at the meeting were BLASI, JOHN CAMPANALE, SAM ROSA, QUENNIE SIMONELLI and CHUCK ENGLISH. CG T-2 advised that the meeting was called off at approximately noon when it was learned that

Hangouts

CG T-1 advised in December, 1964, that DUTCH BLASI continues to spend a great deal of time at the Armory Lounge. This informant did note, however, that BLASI no longer spends the entire day there but is generally seen between the hours of 6:00 p.m. and midnight. This informant has observed BLASI's car parked in the vicinity of Maggio's Restaurant located some six blocks West of the Armory Lounge in Forest Park, Illinois, during the afternoon hours.

CG T-2 advised in December, 1964, that BLASI can be generally found in the afternoon in Maggio's Restaurant. Informant advised that during recent months, BLASI, QUEENIE SIMONELLI and SAM ROSA have been playing card games on a daily basis at Maggio's.

The informant advised on December 30, 1964, that activity in the vicinity of the Armory Lounge had been extremely light since a large going away party was held on the evening of December 26, 1964. Since that date, the only person observed by the informant at the Armory Lounge was BUTCH BLASI.

The informant advised on January 11, 1965, that SAM GIANCANA was observed together with a large group of individuals at the Armory Lounge on January 8 and 9, 1965. The informant advised that GIANCANA was in the company of a female, believed possibly identical to PHYLLIS MC GUIRE on the evening of January 9, 1965; however, because of the lighting conditions, the informant was unable to positively state that this was, in fact, MC GUIRE.

The informant advised on January 20, 1965, that GIANCANA had been observed at the Armory Lounge on the 18th, 19th and 20th.

Informant advised during the week of January 25th through 29, 1965, that GIANCANA had been observed at the Armory Lounge on the 24th, 25th and 26th, but that he had not been observed thereafter.

Informant advised that BLASI continues to frequent Maggio's Restaurant located on Roosevelt Road in Forest Park during the afternoon hours.

Informant advised on January 11, 1965, that [redacted] at the Armory Lounge is named [redacted] who has been employed at the lounge for several years. The informant advised that this individual arrives at the Armory Lounge between 7:00 and 8:00 a.m. each day and departs between 1:00 and 2:00 p.m. each day. The informant advised that [redacted] does not work on Tuesdays, it being noted that the Armory Lounge is closed on Mondays and therefore there is no need for him to work. Informant advised that [redacted] drives a red 1960 Chevrolet with 1964 Illinois License [redacted].

Informant advised on January 15, 1965, that arrangements were made on that date by BUTCH BLASI for a dinner meeting to be held at "The Spot" Restaurant that afternoon. According to the informant, arrangements were tentatively made for fifteen persons to attend this meeting. This meeting was subsequently called off when it was learned that [redacted] b3

The informant advised that apparently some individuals had not been advised that the meeting was called off and those persons who appeared at "The Spot" were, in addition to BLASI who was there to advise persons that the meeting would not be held, QUENNIE SIMONELLI, SAM ROSA and CHUCK ENGLISH. The informant advised that JOHN CAMPANALE was also present and was scheduled to attend this meeting.

The informant advised that on this date, QUENNIE SIMONELLI was explaining to those persons present that he knew "the G" was looking for SAM earlier in the week in that he had seen a couple of FBI agents who were known to him, around Maggio's and the Armory Lounge during the afternoon of January 12, 1965. SIMONELLI made quite a bit of the fact that "he led them a merry chase". Informant stated that BLASI warned those present that they should probably be careful in the event the Government had any further subpoenaes for any of them.

Informant advised that TARQUIN SIMONELLI has been frequenting "The Spot" Restaurant three or four times a week since the beginning of the year.

Informant advised on the 21st, that MARSHALL CAIFANO advised him that [redacted] b3 CAIFANO stated that he has been to the Armory Lounge on two occasions during the past two weeks where he met with GIANCANA; however, he did not furnish the informant any details concerning this meeting.

On the 27th, the informant advised that "The Spot" Restaurant had burned that date and that an employee, a Chinaman, had been burned in the fire. Informant advised that JOHN CAMPANALE was questioned most of the day concerning this fire but that to all intense purposes, the fire was caused by natural causes. Informant advised that in conversations with CAMPANALE later, CAMPANALE advised him that this fire was completely unexpected and that, in fact, the last thing he would desire would be to burn the place down and focus attention upon this location.

On May 4, 1965, informant advised that SAM GIANCANA had been observed frequenting the Armory Lounge during the morning of that day.

On May 7, 1965, informant advised that GIANCANA was observed to drive his car into the parking lot of the Armory Lounge at approximately 5:15 p.m., where he was noted to speak with BUTCH BLASI for a period of two to three minutes and then drive off. The informant advised later in the evening on the 7th, that apparently some type of activity had taken place during the evening in that a great deal of commotion was observed at the Armory Lounge and she noted many of the regular individuals seemed to stay only for a few minutes and then depart quickly.

On the 7th, informant furnished the following description of [redacted]: b6 b7C

Age	50-55
Height	5'8-9"
Weight	150 pounds
Hair	Iron gray
Build	Average
Clothing	Usually dressed in business suit and well dressed

On the 9th, informant advised that SAM GIANCANA was observed at the lounge at approximately 9:10 p.m., and was observed to remain for a period of about five minutes in the company of BUTCH BLASI. Informant advised that for the remainder of the evening, no persons to stop by the lounge stayed for a period of more than ten minutes. Informant further advised that there was apparently "something up" due to the activity around the lounge.

Informant advised on May 10, 1965, that she had observed the following cars parked at the Armory Lounge for some time during the evening: The first she knew to be CHUCK ENGLISH, bearing 1965 Illinois Plate BP 3872. (It is noted this car registered to Lormar Distributing Company). The other number noted was that of [redacted]. (Not yet in file). b6 b7C

The informant advised that during the past two weeks, she had observed the car which she knows to belong to [redacted] which bears Illinois Plate [redacted]. It is to be noted that this car is registered to [redacted]. b6 b7C

Informant advised on May 11, 12 and 18, 1965, that SAM GIANCANA, CHUCK ENGLISH and BUTCH BLASI had been observed on each of those dates at the Armory Lounge.

On the 18th, informant learned through a conversation with [redacted] that one of the reasons that QUEENIE SIMONELLI has not been observed around the location is the fact that sometime within the past two months, SIMONELLI became intoxicated in the establishment and was told not to come back again until his deportment improved. Apparently [redacted] spoke with SAM GIANCANA about SIMONELLI who apparently told him to stay away from the Armory Lounge for a while at least. b6 b7C b7D

Informant advised that on April 21, 1965, SAM GIANCANA was observed at the Fresh Meadows Golf Course with JOHN CAMPANELLI, [redacted], BUTCH BLASI, SAM ROSA and TARQUIN SIMONELLI. Informant advised that at one point during the day, GIANCANA observed cars which he believed to be FBI cars and proceeded to shout numerous obscenities to the cars as they passed by the golf course. The informant stated that following the completion of the golfing date, GIANCANA advised those present that on the following date, he desired to play at another course because he did not want to continue to "heat up" Fresh Meadows. Informant advised that as a result of GIANCANA's decision on the 21st, that on the 22nd, GIANCANA, SAM PARDE and JOHN CAMPANELLI played at Cog Hill in the southern suburbs of Chicago. Of particular note was the fact that informant stated that they did not leave Cog Hill until 4:30 in the afternoon.

b6
b7C

(This information is pertinent in that information has been received from another informant to the effect that a meeting of a number of top hoodlums took place during the early afternoon of April 22, 1965, at Fresh Meadows Golf Course).

On the 23rd, informant advised that GIANCANA made arrangements with those persons present the previous day to meet at the York Country Club; however, due to the small group, it was disbanded for the day.

The informant advised on this date, that he learned from GIANCANA that during the period that the Armory Lounge had been closed, that GIANCANA had been hanging out at a restaurant which the informant believed was called Orrie's (phonetic). Apparently GIANCANA's associates also utilize this hangout for the two week period.

On the 28th, 29th and 30th, GIANCANA was at the Fresh Meadows Golf Course and played at various times with MARSHALL CAIFANO, SAM ROSA, SAM PARDE, JOHN CAMPANELLI and TARQUIN SIMONELLI.

On the 30th, informant advised that he had learned from GIANCANA that within the past two weeks, GIANCANA had been at the Flame Restaurant which the informant believed is located in Hinsdale, Illinois. From that information gleaned from GIANCANA, it appears that GIANCANA has been eating at the Flame Restaurant on the average of two nights per week for the past several months.

[redacted], according to local police sources in Rosemont, has been making frequent out of town trips to Detroit, Miami and Chattanooga, Tennessee, and a source close to the Rosemont Police Department has advised that there is a strong possibility that narcotics are being handled out of the Shady Rest Lounge. b6 b7C

GIANCANA confers practically on a daily basis with Mayor DONALD STEVENS concerning financing and zoning regulations in the Rosemont area. GIANCANA recently expressed bitterness over the imprisonment of his brother, SAM, and has repeatedly stated that "MOE will have his day yet." b6 b7C

During the first week of July, 1965, Mayor STEVENS fired two police officers, one of whom was [redacted], claiming both were using an excess of brutality in their police work. Mayor STEVENS, in an attempt to completely revamp the Police Department in Rosemont, contemplates replacing the current Chief of Police ARTHUR SCHOAL with RICHARD DREYHOBL, who is the current Village trustee. According to informant, DREYHOBL was born and brought up b6 b7C

Informant states that BUTCH BLASI has assumed the operation of the Armory Lounge within the past month. BLASI advised the informant that the Lounge was having financial difficulties following the incarceration of SAM GIANCANA and that DORIS FANELLI, the owner, asked BLASI to help her with the operation until she could get back on her feet. BLASI indicated that one of the things that had to be taken care of first to pay off some fifteen hundred dollars worth of back bills to various salesmen which he expects to get back in the near future. Since BLASI has taken over the Lounge the trade seems to have picked up considerably. In this regard, informant s tates that on both Friday, July 9th and July 16th, the restaurant portion of the Lounge was completely filled from seven thirty until informant left [redacted] Informant did note, however, that there were not as many hoodlums at the Lounge as when GIANCANA was known to be frequenting same. b7D

BLASI further indicated to the informant that he is not as concerned over the possibility of going to jail as he was shortly after GIANCANA went to jail. BLASI apparently feels that if the Government had been going to get him that they would have proceeded by now. BLASI does feel though that the government is not finished, but stated that they were "out to get SAM " and now that they have succeeded in that they will work on somewne else.

Informant states that the Armory Lounge is again doing a thriving business after a noted slow down which took place immediately following the incarceration of SAM GIANCANA during the first portion of June. On the past four weekends the Lounge has been filled to capacity. However, The informant states that very few of GIANCANA's hoodlum associates have been seen in the Lounge. The most notable absentee has bee CHUCK ENGLISH, who has only shown up on one or two occasions with in the pa st month.

The informant had occasion to speak with BUTEH BLASI recently who stated that he plans to be out of the Chicago area for some two weeks during the latter portion of July and early August, indicating that he would be in California during t this period. Informant states that from the conversation it appears that this trip is more of a vacation than a business trip. BLASI seems to have lost a great deal of his apprehension over the possibilty of going to jail, which thought had been bothering him during earlier meetings with the informant.

The informant has observed BLASI's car parked at the new CHEZ PAREE, which is formerly PUCCI's located at 7713 West Roosevelt Rd. Informant states that hthis is now a cocktail lounge which maintains a small combo and seems to have a large clientele. Informant tstates that many of the cars that used to be observed at the Armory Lounge are now observed in the parking lot of the Chez Paree.

On 6/29/65 informant advised that he had learned that SAM BATTAGLIA has taken over most of the affairs of SAM GIANCANA during GIANCANA's confinement in County Jail and it appears to the informant he is in the position of the number one man in the syndicate in Chicago at this time. From what the informant has been able to learn from persons close to these individuals, the delegation of this authority by BATTAGLIA has angered JACKIE CERONE a great deal and he apparently feels he should have taken over in GIANCANA's absence. The informant further learned that CERONE feels he has the backing of TONY ACCARDO and PAUL DE LUCIA in this regard and may try a power play to take over the leadership from BATTAGLIA.

On 7/6/65 the informant advised that BUTCH BLASI is presently spending most of his time at a newly constructed golf driving range and bar-restaurant which is part of the range which is located just outside of Joliet, Illinois. The informant advised that this business complex is located on Route 66 just "this side of the viaduct" just outside of the city limits of Joliet.

The informant advised that whenever BUTCH BLASI telephonically contacts JOHN CAMPANELLI with any type of instructions, he utilizes the code name of "THE HEAT MAN". alias Butch Blasi No other names are utilized in these conversations.

On 7/14/65 the informant advised that [redacted] has 14 waitresses employed in his cocktail lounge at the Crossroads Motel. The informant believes that these girls are working as call girls aside from their waitress duties. The informant has noted several of them making dates with customers at the lounge. The informant advised that CHUCK ENGLISH was at the Armory Lounge on the 6th, 7th and 8th of August, on which occasions he spoke to the informant. The informant questioned ENGLISH as to how SAM GIANCANA was faring in the County Jail and was advised by ENGLISH that GIANCANA is holding up very well. When questioned as to whether GIANCANA was getting any special treatment, ENGLISH laughed and indicated that SAM was not finding it too hard to stay in jail, indicating that he was receiving more privileges than other prisoners in the jail. ENGLISH refused to go into detail concerning this statement but indicated that his information concerning GIANCANA came from TONY TISCI, GIANCANA's son-in-law. The informant advised that BUTCH BLASI and QUEENIE SIMONELLI continue to appear at the Armory Lounge on almost a daily basis. Informant further stated that the business of the Armory Lounge has improved 100% during the past two months, the reasons for which are unknown to the informant. The informant advised that on Friday and Saturday nights the parking lot is completely filled during the entire evening. The informant advised, however, that she does not see too many of the vehicles which used to frequent the lounge when GIANCANA was a constant customer.

The informant advised on September 1, 1965, that on the evening of August 31, 1965, she observed a group of individuals at the Armory Lounge which included CHUCK ENGLISH, BUTCH BLASI and an individual whom she believed was identical to ANTHONY ACCARDO entering the lounge together. Informant advised that this is the first time she has observed any of these persons getting together in one time and was rather surprised to observe ACCARDO and his group. The informant took several license numbers down at the time that these persons were inside the lounge and it was determined that one of the vehicles present registered to CHARLES NICOLETTI.

The informant further advised that on August 28, 1965, she observed BUTCH BLASI placing a metal grill type door in front of the side entrance to the lounge and in subsequent conversation learned from BLASI that this was being placed there for added protection to eliminate the possibility of further burglaries within the lounge.

DETAILS:

SECTION I

Background

Chicago T-2 advised in July of 1965, that BUTCH BLASI had purchased a new refrigerator specifically for the purpose of refrigerating over 100 boxes of cigars, which had been received by BLASI from friends and associates of SAM GIANCANA, which were to be delivered by BLASI to GIANCANA in the County Jail, during GIANCANA's incarceration.

Chicago T-4 advised in July, 1965, that BLASI had agreed with DORIS FANELLI, the owner of the Armory Lounge, to help her with the operation of the lounge. It was learned that following the incarceration of GIANCANA, FANELLI had been experiencing financial difficulty and requested BLASI to help her with the operation of the restaurant. Since the acceptance of this responsibility by BLASI, business at the lounge has increased perceptively, and according to Chicago T-1, the restaurant does a "landslide business every Friday and Saturday night."

Chicago T-1 advised during early September that BLASI was observed leaving the Armory Lounge on one evening in the company of CHUCK ENGLISH and an individual who the informant believed to be identical to ANTHONY ACCARDO. Although not observed personally by the informant, the car belonging to CHUCK NICOLETTI was observed parked outside of the Armory Lounge during the period that the previously mentioned persons were known to be inside.

SECTION II

Legitimate Business

During July of 1965, both Chicago T-2 and Chicago T-3 furnished information indicating that BLASI had opened up a new golf driving range in Joliet, Illinois. This range is located on Route 66 just north of Joliet. According to Chicago T-3, BLASI intends to eventually open a restaurant and bar in connection with this driving range; however, no date has been set for the opening of these facilities.

Chicago T-2 advised that in connection with the physical stocking of golf equipment for the golf driving range, that BLASI obtained approximately 15 sets of Ryder Cup Golf Clubs through FELIX ALDERISIO.

Chicago T-2 further advised during July, 1965, that BLASI is also operating the Villa Venice Restaurant. According to the informant, the restaurant is no longer open for individual dining for the public; however, it can be rented for large parties and banquets. Recently, several large "hoodlum-type"parties have been held at the Villa Venice.

SECTION III

Miscellaneous

Chicago T-3 advised in July of 1965, that BLASI, whenever contacting JOHN CAMPANELLI by telephone, identifies himself by use of the code name of the "meat man."

Chicago T-1 advised in September of 1965, that BLASI was observed placing a new steel grating-type door on the outside entrance of the Armory Lounge, and advised the informant that it was being placed there as further protection against the rash of burglaries that have occurred at the Armory Lounge during the past several years.

On 9/21/65 the informant advised that ANTHONY CHAMPAGNE had been observed frequenting the Armory Lounge on the average of three evenings a week for the past several weeks. On each occasion CHAMPAGNE was noted to remain for a period of several hours and was noted on two occasions to leave in the company of CHUCKY ENGLISH. Informant noted that ENGLISH again has not been seen as often during the months that SAM GIANCANA has been incarcersated as previously.

On 10/22/65 the informant stated that in recent conversation with BUTCH BLASI, BLASI commented that recently FBI Agents had been coming into the Armory Lounge and spending a considerable amount of money. BLASI stated that "instead of sitting across in the parking lot, they are coming in and eating now". BLASI stated that he was not in favor of this arrangement but indicated that no one wished to say anything to them as most of GIANCANA's associayes fellt that the reason that GIANCANA is in jail is the fact that was constantly antagonistic to Federal aagents an that they made it a special point to see that they put him in jail. BLASI indicated that he did not think that they(the Agents) w would continue to come to the Lounge after GIANCANA w as released from jail.

BLASI further stated that GIANCANA appararently was deeply concerned when the Appellate Court recently affirmed the decision of the District Court and apparantly severly chastized ANTHONY CHAMPAGNE for not being able to come up with a ~~xxxx~~ defense to free him.

FEDERAL BUREAU OF INVESTIGATION

1.

Date 10/8/65

At about 3:30 PM, October 1, 1965, Special Agents [redacted] and DUNCAN J. EVERETTE entered Maggio's Steak House at 7635 West Roosevelt Road, Forest Park, Illinois, for the purpose of interviewing DONALD MAGGIO. DONALD MAGGIO greeted the agents at the door and then escorted them to a table in the dining room area which overlooks the bar. Immediately upon entering, the agents observed DOMINIC JOSEPH "BUTCH" BLASI and TARQUIN QUEENIE SIMONELLI sitting in a corner of the bar at which time SIMONELLI greeted the agents with a wave. DONALD MAGGIO related to SA EVERETTE that he desired to discuss his gambling arrest; however, at this time, MAGGIO appeared to be very busy handling routine matters at the bar.

b6
b7C

Shortly after the agents were seated, QUEENIE SIMONELLI approached the table where the agents were sitting, at which time DONALD MAGGIO purposely bumped into SIMONELLI and whispered in his ear, at which point SIMONELLI replied "I know they're with the FBI." SIMONELLI greeted the agents and asked who they were looking for. When the agents replied that they were not looking for anyone in particular, SIMONELLI stated "Don't you have any more subpoenas to serve?" SIMONELLI then insisted that the agents taste some Italian sausage and meatball hors doeuvres which had just been received by SIMONELLI. The agents tasted the hors doeuvres, at which point DOMINIC JOSEPH BLASI and DONALD MAGGIO joined in with SIMONELLI and the agents discussing Italian food.

SIMONELLI and BLASI then inquired as to the well-being of SA RALPH HILL, asking whether he enjoyed being stationed in Miami, Florida. BLASI then related that both he and SIMONELLI were in Miami, Florida last winter; however, they did not observe SA HILL. They then related that they frequently observed SA HILL when he was in the Chicago area, and had entered into conversation with HILL on several occasions while he was investigating SAM GIANCANA. SIMONELLI related that on one occasion when SA HILL approached him he, SIMONELLI, denied his identity as well as his knowing the whereabouts of BUTCH BLASI. SIMONELLI thought during this interview by HILL that HILL did not know his identity; however, upon HILL's departure,

he related "we'll be seeing you QUEENIE." SIMONELLI then related that HILL was a "sharp agent" and he had a great deal of respect for him.

SIMONELLI then departed Maggio's Steak House, and during his departure DONALD MAGGIO requested to speak with SA EVERETTE in another section of the Steak House.

SA [redacted] then requested BLASI to contact SA HILL upon his next visit to the Miami, Florida area, as Mr. HILL enjoyed talking with BLASI, at which point BLASI jokingly stated that he would telephone SA HILL upon his next visit to Miami and merely say over the phone "HILL, this is BUTCH. I am in Miami. Good-bye." BLASI then related that he does not mind talking to FBI agents, although he would not furnish any information. He advised that he would like to contact SA HILL in Miami, and have coffee or lunch and "shoot the breeze." BLASI then stated "Oh, I couldn't do that, what would happen if someone seen us together?" At which time SA [redacted] related that if he was in fear of contacting SA HILL and being seen with him, arrangements could be made, or if BLASI desired, he could take someone with him in meeting SA HILL. BLASI then related that he thought this would be a good idea. b6 b7C

SA [redacted] then inquired as to the whereabouts of CHARLES ENGLISH as many of the agents enjoy engaging in conversation with ENGLISH, at which point BLASI stated that ENGLISH "was a good guy, but he is going to get in trouble some day because he likes to talk too much, and you know what happens to people that talk too much." b6 b7C

SA [redacted] then related that MURRAY HUMPHREYS was an interesting conversationalist and an interesting person to talk to, at which point BLASI agreed, stating that HUMPHREYS "is a wonderful man and very intelligent, but is getting too old." b6 b7C

SA [redacted] then asked BLASI if he had heard from PHYLLIS MC GUIRE, and BLASI related that PHYLLIS MC GUIRE frequently calls him and is concerned with the well-being of SAM GIANCANA. He advised that PHYLLIS MC GUIRE is presently appearing at a club in Nevada together with her three sisters. b6 b7C

He related that PHYLLIS MC GUIRE lost all of her single engagements during the summer of 1965, and that she had been scheduled to appear as a single and summer stock theatre. He advised that all of her single engagements were cancelled because of the bad publicity she received during the Federal Grand Jury proceedings [redacted] b3

BLASI again stated that he enjoyed conversing with the agents and held no animosity toward the agents and their investigations, as they have a job to do as well as he has a job to do. He invited the agents to come to the Armory Lounge for further conversations, stating that the agents were now welcome at the Armory Lounge and the only one who previously objected to the agents visiting the Armory Lounge was SAM GIANCANA. He advised that GIANCANA, in the past, had always treated the agents very rudely and frequently used obscenities toward the agents, at which point BLASI stated "We all know and realize that this was his biggest mistake and was probably the reason he was now in jail." BLASI related that he and others realize that if the agents "had not been wearing a badge, they would have knocked GIANCANA's head off because of his foul language."

BLASI related that you have to know GIANCANA to understand him, and stated that he, BLASI, has known him all his life and grew up with him, and knows he has a vicious uncontrolable temper.

BLASI then commented that he had nothing but respect for FBI agents, stating that he had on many occasions in the past, bribed police officers; however, he would never entertain any thoughts of ever attempting to bribe any FBI agents, because he and others realize that any attempts made would be prosecutive.

BLASI then related that organized gambling is not in itself a bad thing, at which point SA [redacted] related that the violence that goes along with organized gambling is bad. BLASI related that he and others realize that violence is bad and then also feel that it is unnecessary; that an individual can make money in gambling without resulting in violence. He advised that WILLY MESSINO, and "beating peoples heads" is very bad, and is not needed in the "juice racket." He advised that he did not intend to intimate that WILLY MESSINO had actually done this beating, but only meant to say that he is charged with the beating. BLASI continued that the victims in the "juice rackets" were fools and they knew what they were getting into, and therefore should avoid "juice." He stated that the "juice" compares with the victim of a con-game, explaining that the victim actually has larceny in his heart in the first place.

b6
b7C

During the conversation BLASI once interrupted and asked SA [redacted] why EVERETTE and DONALD MAGGIO were having such a lengthly conversation, at which point SA [redacted] replied that SA EVERETTE is talking to MAGGIO about his recent gambling arrest in Skokie, Illinois.

b6
b7C

BLASI stated that he feels that the FBI agents conduct themselves in an excellent manner during their investigations, and the only thing he objects to would be any embarrassment to his family and children. SA [redacted] then related that to his knowledge the majority of the persons involved in organized crime do not desire to have their children follow in their footsteps, at which point BLASI related "this is very true, that everyone wants to divorce their children from any activities that their fathers may participate in." He advised that crime reporter SANDY SMITH is the only one he knows of that prints material which is extremely embarrassing to the individual's wife and family. BLASI referred to SANDY SMITH in great contempt and revealed that none of his friends have any respect and nothing but contempt for SANDY SMITH.

b6
b7C

At this point DONALD MAGGIO returned with SA EVERETTE to the table, and BLASI and MAGGIO deserted Maggio's Steak House and bid farewell to the agents in a very cordial manner.

The PC at this time also advised that NICK PALERMO, owner of Melrose Park Plumbing Company and related to ANTHONY ACCARDO by marriage, and a number of his associates were reportedly going to meet FIORE BUCCIERI in Wyoming while BUCCIERI was there on a hunting trip. PALERMO indicated he and his group were going to a different location in Wyoming, but would still meet with BUCCIERI who had gone to Jackson Hole, Wyoming. He related that BUCCIERI had returned from this hunting trip on 11/10/65.

[redacted] b6 b7C

[redacted] b7D

[redacted] personally met with SAs JOSEPH G. SHEA and LENARD A. WOLF on 11/15/65 at which time the PC furnished the following information: b7D

The PC advised that DOMINICK "BUTCH" BLASI is operating the Armory Lounge and that BLASI is taking his orders from ANTHONY ACCARDO. He said that ACCARDO is still a powerful man in the Chicago criminal syndicate and that when BLASI passes on a message, from the "Old Man" (ANTHONY ACCARDO) to BUCCIERI, BUCCIERI jumps to do what is requested. He said that ACCARDO appears to be the only person that BUCCIERI is afraid of.

The PC advised that he had heard that CHUCKIE NICOLETTI is working for SAM "TEETS" BATTAGLIA, but that he has observed NICOLETTI take orders from FIORE BUCCIERI.

He said that recently he had observed the following individuals sitting at the same table in the Armory Lounge:

CHARLES NICOLETTI
TONY PINELLI
SAM FARUGGIA
CHUCK ENGLISH

He advised that SAM FARUGGIA operates Leyden Acceptance Corporation and is a close friend of WILLIE MESSINO. The PC stated that Doctor IACULLO is close to FARUGGIA and is always hanging out at the Leyden Acceptance Corporation office. The PC believes IACULLO is the "Doc" who was on the recent hunting trip by FIORE BUCCIERI and 15 others to Wyoming.

The PC advised that NICK PALERMO is a bigger hoodlum than most people think he is. He said that a number of hoodlums meet at his plumbing shop during the morning hours from about 9:00 to 11:00. He said that around noon these hoodlums can be found at the Country Side Restaurant on North Avenue in Melrose Park.

The PC stated that he has been in JAMES "TURK" TORELLO's car and has heard the Bureau cars going ten seven and ten eight on a radio in TORELLO's car. TORELLO told the PC that he also has

[redacted] b7D

some sort of a device that will let him know if a Bureau car gets real close to him.

The PC related that ANGELO LA PIETRA has been spending quite a bit of time in Melrose Park and apparently is carrying messages from BUCCIERI to the Melrose Park group. The PC advised that LA PIETRA is a very surly individual who never smiles and does not talk to anyone he is not well acquainted with.

The PC said that JOE GAGLIANO reportedly owns the LaBistro in the Rush Street area.

He stated that through BUTCH BLASI he had met ROCCO PATERNOSTER who operates the Airliner Lounge, Higgins and River Road.

The PC stated that SAM GIANCANA reportedly has an interest in Vending Corporation of America and in a company called "Pizza Fro".

He advised that [redacted] works for WILLIE MESSINO. He said that [redacted] is [redacted] ERNEST SANSONE and that SANSONE is the nephew of TOM MORGANO. He advised that TONY PINELLI and MORGANO had been very closely associated. b6 b7C

The PC advised that FIORE BUCCIERI is very close to SAM ROMANO and VITO MARZULLO who have an office at 905 S. Western. He said that BUCCIERI is a good politician and still has the reputation of being a good "vote getter".

FRANK BUCCIERI, according to the PC, is used by FIORE BUCCIERI as a contact man with politicians and businessmen.

The PC believes BUCCIERI may have an interest in DON ANGELINI's insurance business as he is always pushing for the PC to buy all his insurance from ANGELINI.

[redacted] b7D

The PC advised that a former IRS Agent who had been formerly head of the racket squad reviews the records and tax returns of Moeller Brothers and B & B Finance Company. BUCCIERI consequently is not worried about an income tax investigation of these companies as the records are all in good shape.

The PC related that he was with FIORE BUCCIERI on a recent occasion when JAMES TORELLO came rushing in and said he had to leave right away as he had to go see "the brothers" (believed to be [redacted]). b6 b7C

TORELLO recently told the PC that he had an interest in a Go Go Club in Calumet Park, (Eagles-A-Go-Go, 127th and Ashland, Calumet Park, reportedly owned by JAMES TORELLO and BABE TUFFENELLI, and [redacted]). b6 b7C

The PC said that [redacted] owes FIORE BUCCIERI a lot of money which is the reason he maintains such a close relationship with BUCCIERI. b6 b7C

BUCCIERI recently told the PC that he would kill his own brother if he thought he was wrong. The PC said that by being "wrong" BUCCIERI meant being a "stool pidgeon". BUCCIERI and his associates are still worried that [redacted] is a stool pidgeon for the FBI. b6 b7C

WILLIE MESSINO, according to the PC, is still worried about "getting hit" and sits in his kitchen with the lights out. He said WILLIE MESSINO has a terrible temper and when enraged puffs himself up to almost twice his size. He said MESSINO however sits and meekly takes all kinds of abuse from JACK CERONE. MESSINO according to the PC can raise one million dollars in cash over night.

MESSINO is still having trouble with his wife over his relationship with other women. BUCCIERI had reportedly warned MESSINO that he was going to have trouble because of his girl friends.

[redacted] b7D

The PC related that BUCCIERI never gets romantically involved with any girl he dates and just pays for the services rendered and then forgets them.

The PC furnished the following telephone numbers from his address book:

[redacted] b6 b7C

FIORE BUCCIERI - ST 8-7753

JAMES TORELLO - TO 3-1858

GABRIELE CURRENCY EXCHANGE - OL 6-1954

The PC related that MARSHALL CAIFANO apparently does not have much power as he has observed a number of hoodlums turn their backs on him.

Character: ANTI-RACKETEERING

Synopsis: BLASI interviewed by Bureau Agents on 10/1/65, at which time he advised that Chicago hoodlums feel SAM GIANCANA had caused most of his problems with the Federal Government from the manner in which he conducted himself when contacted by Bureau Agents. BLASI also advised that while he has in the attempted to bribe Chicago Police Officers, he would never consider attempting to bribe an FBI Agent. BLASI further pointed out that he was very much against the manner in which certain individuals purportedly connected with the "juice racket" were handling their affairs specifically referring to the beatings administered to victims. BLASI observed frequenting both the Armory Lounge and Maggio's Steak House, both in Forest Park, Illinois.
